

# General Motors Voluntary Report of 2018 Political Contributions

As part of its overall efforts to promote transparency for stockholders and others, General Motors is releasing its voluntary disclosure of corporate contributions for calendar year 2018. Included in this report are (1) contributions to section 527 organizations; (2) contributions to individual candidates for state and local office; and (3) portions of dues or similar payments to 501(c)(6) trade associations and section 501(c)(4) organizations, to the extent the dues or other payments equal or exceed \$50,000, and that are attributable to political expenditure. In addition, links are provided below to the GM Corporate Policy on Corporate Political Contributions and Expenditures, GM PAC contributions, and federal lobbying expense and contribution reports.

## (1) Section 527 Organization Contributions

Republican Governors Association	\$250,000
Democratic Governors Association	\$150,000
Republican State Leadership Committee	\$100,000
Democratic Legislative Campaign Committee	\$50,000
GOPAC	\$50,000
Republican Attorneys General Association	\$25,000
Progress San Francisco	\$25,000

## (2) Corporate Contributions to Individual Candidates for State or Local Office *None*

**(3) Portion of Dues or Similar Payments, to the Extent Dues or Payments Equal or Exceed \$50,000, Paid in 2018 to 501(c)(6) Trade Associations or Section 501(c)(4) Organizations, Which Were Used for Political Expenditures as Identified by the Trade Association or Organization:** In 2018, GM paid dues or similar payments of at least \$50,000 to organizations recognized by the Internal Revenue Service as tax-exempt under either section 501(c)(6) as a trade association or section 501(c)(4) as a social welfare organization. The following is a summary of such portion of such GM dues or similar payments used for political expenditure:

Alliance of Automobile Manufacturers	\$89,394
Healthy and Productive Michigan <sup>1</sup>	\$50,000
Detroit Regional Chamber	\$2,400

---

<sup>1</sup> GM's contribution was committed in 2018, however, GM understands that Healthy & Productive Michigan deposited GM's contribution in 2019.

GM's voluntary disclosure represents every effort and intention to fully report all such contributions. However, given the scope and size of GM's operations and the variety of contribution channels, some contributions could be inadvertently omitted from this initial disclosure. If GM is made aware of additional contributions through its own review process, employees or by other means and sources outside the company, it will immediately disclose those contributions by posting a revised report.
