

# GM Delivers Over 462,000 Vehicles in China

2023 China First Quarter Sales

# Sales by Brand

- Over 34,000 units
- Monza remained the brand's best-selling model, with sales of nearly 22,000 units
- Menlo EV sustained strong sales momentum

- Over 32,000 units
- CT5 topped the brand's carlines, with deliveries surpassing 12,000 units
- LYRIQ continued to gain growth momentum; conducted a major OTA update in late March, enabling Super Cruise functionality to enhance the intelligent driving experience

- Over 106,000 units
- GL8 CENTURY luxury MPV quickly gained popularity, with more than 5,000 units sold
- VELITE EV family continued to post strong growth, with sales up 11%
- Brand's first Ultium model, the Electra E5, will go on sale in April

- Over 289,000 units
- Compound EV sales neared 79,000 units
- Newest member of SAIC-GM-Wuling's EV family – the Wuling Bin Guo – was launched in March and had sales of more than 3,000 units

# 2023: Breakout Year for EVs

- More than one third of GM's 20+ new launches in China in 2023 will be new energy vehicles
- Four Ultium-based EV launches are planned across the Buick, Cadillac and Chevrolet brands; Buick's first Ultium-based model – the Electra E5 – will be launched on April 13 to tap into the fast-growing mainstream EV segment
- Wuhan Ultium Center began assembling Ultium battery packs to support the expanding Ultium EV portfolio
- More Wuling and Baojun EVs based on SAIC-GM-Wuling's GSEV platform are being introduced this year
- Super Cruise is being rolled out in the Cadillac and Buick lineups, and later in Chevrolet models

**General Motors (NYSE:GM)** is a global company focused on advancing an all-electric future that is inclusive and accessible to all. At the heart of this strategy is the Ultium battery platform, which will power everything from mass-market to high-performance vehicles. General Motors, its subsidiaries and its joint venture entities sell vehicles under the [Chevrolet](#), [Buick](#), [GMC](#), [Cadillac](#), [Baojun](#) and [Wuling](#) brands. More information on the company and its subsidiaries, including [OnStar](#), a global leader in vehicle safety and security services, can be found at <https://www.gm.com>.

GM China's second quarter sales results will be reported on Wednesday, July 5.
