(f) The Company will as promptly as practicable notify the Representative of the issuance by the Commission of any order suspending the effectiveness of the Registration Statement or preventing or suspending the use of any Preliminary Prospectus, any of the Disclosure Package or the Prospectus or having the effect of ceasing or suspending trading in the Securities or the initiation or threatening of any proceeding for that purpose or pursuant to Section 8A of the Securities Act or the receipt by the Company of any notice with respect to any suspension of the qualification or distribution of the Securities for offer and sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and the Company will use its reasonable best efforts to prevent the issuance of any such order suspending the effectiveness of the Registration Statement, preventing or suspending the use of any Preliminary Prospectus, any of the Disclosure Package or the Prospectus or suspending any such qualification or distribution of the Securities, or having the effect of ceasing or suspending trading in the Securities, and, if any such order is issued, will use its reasonable best efforts as soon as practicable to obtain the withdrawal thereof.

(g) The Company, during the Prospectus Delivery Period, will file timely (giving effect to any grace periods or extensions available under applicable Commission regulations) all documents required to be filed with the Commission pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act.

(h) Without the prior written consent of the Representative on behalf of the Underwriters, the Company will not, during the period beginning on the date hereof and continuing to and including the Closing Date, offer, sell, contract to sell or otherwise dispose of any debt securities of the Company or warrants to purchase debt securities of the Company substantially similar to the Securities (other than the sale of the Securities under this Agreement).

(i) The Company will (i) in respect of the Securities, promptly within the time periods specified therein, effect the filings required of it pursuant to Rule 424 and/or Rule 433 under the Securities Act, and (ii) take such steps as it deems necessary to ascertain promptly whether any Permitted Free Writing Prospectus transmitted for filing under Rule 433 of the Securities Act was received for filing by the Commission and, in the event that such Permitted Free Writing Prospectus was not so received, it will promptly file the relevant Permitted Free Writing Prospectus.

(j) The Company will, within the time period required in Rule 433(f) under the Securities Act, duly effect the filing of the Media Free Writing Prospectus with the Commission pursuant to Rule 433 under the Securities Act.

(iii) none of the Company or any Underwriter shall have any responsibility for determining what compliance is necessary by any Underwriter or any other Underwriter or for the Underwriters or any other Underwriter obtaining such consents, approvals or permissions;

The Company agrees to indemnify and hold harmless each Underwriter, its affiliates, each person, if any, who “controls” (within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act) such Underwriter and each of such Underwriter’s and such person’s officers and directors against any and all losses, liabilities, costs or claims (or actions in respect thereof) to which any of them may become subject (including all reasonable costs of investigating, disputing or defending any such claim or action), insofar as such losses, liabilities, costs or claims (or actions in respect thereof) arise out of or in connection with (i) the Media Free Writing Prospectus or (ii) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Disclosure Package (or any part thereof) or any amendment or supplement thereto, any Permitted Free Writing Prospectus prepared by or on behalf of, used by, or referred to by the Company, any Additional Written Offering Communication or the Prospectus or any amendment or supplement thereto, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided* that the Company shall not be liable for any such loss, liability, cost, action or claim under this clause (ii) arising from any statements or omissions made in reliance on and in conformity with written information provided by an Underwriter to the Company or its representatives expressly for use in the Registration Statement, the Disclosure Package (or any part thereof) or any amendment or supplement thereto, any Permitted Free Writing Prospectus prepared by or on behalf of, used by, or referred to by the Company, any Additional Written Offering Communication or the Prospectus or any amendment or supplement thereto.

Each Underwriter severally and not jointly agrees to indemnify and hold harmless the Company, its affiliates, each person, if any, who “controls” (within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act) the Company, and the Company’s and such person’s officers and directors from and against any and all losses, liabilities, costs or claims (or actions in respect thereof) to which any of them may become subject (including all reasonable costs of investigating, disputing or defending any such claim or action), insofar as such losses, liabilities, costs or claims (or actions in respect thereof) arise out of or in connection with any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Disclosure Package (or any part thereof) or any amendment or supplement thereto, any Permitted Free Writing Prospectus prepared by or on behalf of, used by, or referred to by the Company, any Additional Written Offering Communication or the Prospectus or any amendment or supplement thereto, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein in the light of the circumstances under which they were made, not misleading, in each case as to the Registration Statement, the Disclosure Package (or any part thereof) or any amendment or supplement thereto, any Permitted Free Writing Prospectus prepared by or on behalf of, used by, or referred to by the Company, any Additional Written Offering Communication or the Prospectus or any amendment or supplement thereto, only to the extent that such untrue statement or alleged untrue statement or omission or alleged omission (x) was made in reliance on and in conformity with written information furnished to the Company by the Underwriters expressly for use in the Registration Statement, the Disclosure Package (or any part thereof) or any amendment or supplement thereto, any Permitted Free Writing Prospectus prepared by or on behalf of, used by, or referred to by the Company, any Additional Written Offering Communication or the Prospectus or any amendment or supplement thereto, or (y) is

contained in any free writing prospectus that is not a Permitted Free Writing Prospectus prepared by or on behalf of the Underwriter (except to the extent such information has been accurately extracted from the Prospectus, any Permitted Free Writing Prospectus prepared by or on behalf of the Company or any Additional Written Offering Communication). It is understood and agreed that for purposes of this Agreement, the only information expressly furnished to the Company by the Underwriters for use in the Registration Statement, the Disclosure Package (or any part thereof), the Prospectus or any Permitted Free Writing Prospectus (or any amendment or supplement to any of the foregoing) consists of (i) the names of the Underwriters set forth on the front and back cover of the Prospectus and the Preliminary Prospectus; (ii) the names of the Underwriters and respective principal amount of 2023 Securities, 2025 Securities and 2027 Securities set forth in the table of Underwriters immediately below the first paragraph of text under the caption "Underwriting" in the Prospectus and the Preliminary Prospectus; (iii) the paragraph of text under the caption "Underwriting" in the Prospectus and the Preliminary Prospectus that begins "The underwriting agreement provides" and ends "or the offering may be terminated"; (iv) the paragraph of text under the caption "Underwriting" in the Prospectus and the Preliminary Prospectus concerning the terms of the offering by the Underwriters, which begins "The underwriters initially propose to offer the Notes" and ends "the underwriters' right to reject any order in whole or in part"; (v) the two paragraphs of text under the caption "Underwriting" in the Prospectus and the Preliminary Prospectus concerning stabilization, over allotments and penalty bids by the Underwriters, which begin "In connection with the offering, the underwriters may purchase" and end "may discontinue them at any time"; (vi) the sentence of text under the caption "Underwriting" in the Prospectus and the Preliminary Prospectus that begins "The underwriters are full service financial institutions" and ends "hedging, financing and brokerage activities" and (vii) the paragraph of text under the caption "Underwriting" in the Prospectus and the Preliminary Prospectus that begins "In the ordinary course of their various business activities" and ends "short positions in such securities and instruments."

If any claim, demand, action or proceeding (including any governmental investigation) shall be brought or alleged against an indemnified party in respect of which indemnity is to be sought against an indemnifying party pursuant to the preceding paragraphs, the indemnified party shall promptly notify the indemnifying party in writing, and the indemnifying party, upon request of the indemnified party, shall retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnified party may designate in such proceeding and shall pay the reasonable fees and expenses of such counsel related to such proceeding; provided, however, that in the event the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of any such proceeding, the indemnified party shall then be entitled to retain counsel reasonably satisfactory to itself and the indemnifying party shall pay the reasonable fees and disbursements of such counsel relating to the proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the reasonable fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel, (ii) the indemnifying party has failed within a reasonable time to retain counsel reasonably satisfactory to such indemnified party pursuant to the preceding sentence or (iii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same

counsel would be inappropriate due to actual or potential differing interests between them. It is agreed that the indemnifying party shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees and expenses of more than one separate law firm (in addition to local counsel where necessary) for all such indemnified parties. Such firm shall be designated in writing by the indemnified party. The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is entitled to indemnification hereunder, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding and does not include a statement as to an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

If the indemnification provided for in this Article X is unavailable as a matter of law to an indemnified party in respect of any losses, claims, damages or liabilities referred to therein, then each indemnifying party, in lieu of indemnifying such indemnified party in respect of such losses, claims, damages or liabilities, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (i) if the indemnifying party is the Company, in such proportion as is appropriate to reflect the relative benefit received by the Company on the one hand and the Underwriters on the other from the offering of the Securities, (ii) if an Underwriter is the indemnifying party, in such proportion as is appropriate to reflect the Underwriter's relative fault on the one hand and that of the Company on the other hand in connection with the statements or omissions or alleged statements or omissions which resulted in such losses, claims, damages or liabilities, or (iii) if the allocation provided by clause (i) or clause (ii) above, as the case may be, is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefit referred to in clause (i) above or the relative fault referred to in clause (ii) above, as the case may be, but also such relative fault (in cases covered by clause (i)) or such relative benefit (in cases covered by clause (ii)) as well as any other relevant equitable considerations. The relative benefit received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the Prospectus. The relative fault of the Company on the one hand and of the Underwriters on the other shall be determined by reference to, among other things, and where applicable, whether the untrue statement or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omissions.

The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Article X were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the considerations referred to in the immediately preceding paragraph. The amounts paid or payable by an indemnified party as a result of the losses, claims,

damages and liabilities referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any reasonable legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this paragraph, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by such Underwriter and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. Notwithstanding the provisions of this Article X concerning contribution, no indemnifying party shall be required to make contribution in respect of such losses, claims, damages or liabilities in any circumstances in which such party would not have been required to provide indemnification. Nothing herein contained shall be deemed to constitute a waiver by an indemnified party of such party's rights, if any, to receive contribution pursuant to Section 11(f) of the Securities Act or other applicable law. No person guilty of "fraudulent misrepresentation" (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Article X are several, in proportion to the respective principal amounts of Securities purchased by each of such Underwriters, and not joint. The remedies provided for in this Article X are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

The indemnity and contribution agreements contained in this Article X and the representations and warranties of the Company and the Underwriters in this Agreement, shall remain operative and in full force and effect regardless of: (i) any termination of this Agreement; (ii) any investigation made by an indemnified party or on such party's behalf or any person controlling an indemnified party or by or on behalf of the indemnifying party, its directors or officers or any person controlling the indemnifying party; and (iii) acceptance of and payment for any of the Securities.

XI.

The Representative on behalf of the Underwriters may terminate this Agreement (upon consultation with the Company) at any time prior to the time on the Closing Date at which payment would otherwise be due under this Agreement to the Company if (i) in the opinion of the Representative, a material disruption in securities settlement, payment or clearance services in the United States shall have occurred or there shall have been a change in national or international financial, political or economic conditions which in their view will have a material adverse effect on the success of the offering and distribution of the Securities or (ii) trading in securities generally on the New York Stock Exchange shall have been suspended generally or materially limited. In the event of any such termination and after consultation with the Company, the parties to this Agreement shall be released and discharged from their respective obligations under this Agreement without liability on the part of any Underwriter or on the part of the Company and each party will pay its own expenses.

XII.

The Company and each Underwriter acknowledge and agree that each Underwriter is acting solely in the capacity of an arm's length contractual counterparty to the Company with respect to the offering of the Securities contemplated by this Agreement (including in connection with determining the terms of the offering) and not as a fiduciary to, or an agent of, the Company or any other person. Each Underwriter represents and warrants to the Company that, except as previously disclosed in writing to the Company, neither the Underwriter nor any affiliate thereof, to the best of their respective knowledge, has any current arrangement with any third party which would permit such Underwriter or any such affiliate to benefit financially, directly or indirectly, from the Underwriter's participation in the determination of the terms of the offering, including the pricing of the Securities. Additionally, each Underwriter is not advising the Company or any other person as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction. The Company shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated hereby, and the Underwriters shall have no responsibility or liability to the Company with respect thereto. Any review by the Underwriters of the Company, the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of the Underwriters and shall not be on behalf of the Company.

XIII.

This Agreement shall be binding upon the Underwriters and the Company, and inure solely to the benefit of the Underwriters and the Company and any other person expressly entitled to indemnification hereunder and the respective personal representatives, successors and assigns of each, and no other person shall acquire or have any rights under or by virtue of this Agreement.

XIV.

Except as otherwise specifically provided herein, all statements, requests, notices and advices hereunder shall be in writing and if to an Underwriter shall be sufficient in all respects if delivered in person or sent by facsimile transmission (confirmed in writing), or registered mail to each Representative at its address or facsimile number below and if to the Company shall be sufficient in all respects if delivered by registered mail to the Company at 300 Renaissance Center, Detroit, Michigan 48265, marked for the attention of the Secretary, with a copy to King & Spalding LLP, at 1180 Peachtree Street NE, Suite 1600, Atlanta, GA 30309, Attention: Keith M. Townsend, Esq. (facsimile: 404-572-5100). Notices shall be provided to Deutsche Bank Securities Inc., at 60 Wall Street, New York, New York 10005, Attention: Debt Capital Markets Syndicate, facsimile number 212-469-4877 with a copy to General Counsel, facsimile number 646-374-1071, with copies to Davis Polk & Wardwell LLP, 450 Lexington Avenue, New York, New York, 10017, Attention: Joseph A. Hall, Esq. (facsimile: 212-701-5565). All notices hereunder shall be effective on receipt.

XV.

If on the Closing Date any one or more Underwriters shall fail to purchase and pay for any of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder on such date and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Underwriters shall be obligated, severally, to take and pay for (in the respective proportions which the principal amount of Securities set forth opposite their names on Schedule I hereto bears to the aggregate principal amount of Securities set forth opposite the names of all of the remaining non-defaulting Underwriters) the Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase on such date. Notwithstanding the foregoing, if the aggregate principal amount of Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase on the Closing Date shall exceed 10% of the aggregate principal amount of Securities to be purchased on such date, after giving effect to any alternative arrangements for the purchase of such Securities that are satisfactory to the Representative and the Company and which are made within thirty-six (36) hours after the Closing Date, the remaining Underwriters shall have the right to purchase all, but shall not be under any obligation to purchase any, of such Securities, and if such non-defaulting Underwriters do not purchase all of the Securities, this Agreement will terminate without liability to any non-defaulting Underwriter or the Company, except that the provisions of Article X shall not terminate and shall remain in effect. In the event of a default by any Underwriter as set forth in this Article XV, the Closing Date shall be postponed for such period, not exceeding five (5) business days, as the Representative and the Company shall determine in order that the required changes in the Registration Statement, the Disclosure Package, the Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company and any non-defaulting Underwriter for damages caused by its default hereunder.

XVI.

If this Agreement shall be terminated by the Underwriters or any of them, because of any failure or refusal on the part of the Company to comply with the terms or to fulfill any of the conditions of this Agreement, or if for any reason the Company shall be unable to perform its obligations under this Agreement (other than by reason of a default by any of the Underwriters), the Company will reimburse the Underwriters or such Underwriters as have so terminated this Agreement with respect to themselves, severally, for all reasonable out-of-pocket expenses (including the reasonable fees and disbursements of their counsel) reasonably incurred by such Underwriters in connection with the Securities.

Notwithstanding anything to the contrary contained in this Agreement, unless this Agreement has been validly terminated pursuant to the immediately preceding paragraph or pursuant to Article XI, the Representative shall reimburse the Company for all of the Company's reasonable outside counsel fees, disbursements and expenses incurred in connection with the offering of the Securities (for the avoidance of doubt, this paragraph shall not apply to any outside counsel fees, disbursements or expenses incurred in connection with any other concurrent or proposed offering by the Company).

XVII.

This Agreement shall be governed by and construed in accordance with the laws of the State of New York. Each party to this Agreement irrevocably agrees that any legal action or proceeding against it arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered against it in connection with this Agreement may be brought in any Federal or New York State court sitting in the Borough of Manhattan, and, by execution and delivery of this Agreement, such party hereby irrevocably accepts and submits to the jurisdiction of each of the aforesaid courts in personam, generally and unconditionally with respect to any such action or proceeding for itself and in respect of its property, assets and revenues. Each party hereby also irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of any such action or proceeding brought in any such court and any claim that any such action or proceeding has been brought in an inconvenient forum. The Company and each of the Underwriters hereby irrevocably waive, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

XVIII.

Any action by the Underwriters hereunder may be taken by the Representative on behalf of the Underwriters (and their respective affiliates), and any such action taken by the Representative shall be binding upon the Underwriters (and their respective affiliates).

XIX.

This Agreement may be signed in any number of counterparts, each of which so executed shall be deemed to be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. The exchanges of copies of this Agreement and of signature pages hereto by electronic format (i.e., "pdf" or "tif") transmission shall constitute effective execution and delivery of this Agreement as to the parties hereto and may be used in lieu of the exchange of the original Agreement for all purposes. Signatures of the parties hereto transmitted by electronic format (i.e., "pdf" or "tif") shall be deemed to be their original signatures for all purposes.

XX.

In accordance with the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their clients, which may include the name and address of their clients, as well as other information that will allow the Underwriters to properly identify their clients.

(b) In the event that any Underwriter that is a Covered Entity or a BHC Act Affiliate of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

RECITALS OF THE COMPANY

WHEREAS, the Company has executed and delivered the Indenture, dated as of September 27, 2013 (as supplemented prior to the date hereof, the “**Base Indenture**” and, together with this Supplemental Indenture, the “**Indenture**”), to the Trustee, to provide for the issuance of the Company’s debt securities (the “**Securities**”), to be issued in one or more series;

WHEREAS, pursuant to the terms of the Base Indenture, the Company desires to provide for the establishment of three new series of its Securities under the Base Indenture to be known as its “5.40% Senior Notes due 2023” (the “**2023 Notes**”), “6.125% Senior Notes due 2025” (the “**2025 Notes**”) and “6.80% Senior Notes due 2027” (the “**2027 Notes**,” and, together with the 2023 Notes and 2025 Notes, the “**Notes**”), respectively, the form and substance and the terms, provisions and conditions thereof to be set forth as provided in the Base Indenture and this Supplemental Indenture;

WHEREAS, the Board of Directors of the Company by duly adopted resolutions has authorized, among other things, the issuance of the Notes and the execution and delivery of this Supplemental Indenture;

WHEREAS, this Supplemental Indenture is being entered into pursuant to the provisions of Section 901 of the Base Indenture;

WHEREAS, the Company hereby requests that the Trustee join with the Company in the execution and delivery of this Supplemental Indenture;
and

WHEREAS, all things necessary to make this Supplemental Indenture a valid agreement of the Company, in accordance with its terms, and to make the Notes, when executed and delivered by the Company and authenticated by the Trustee, the valid obligations of the Company, have been performed.

NOW, THEREFORE, THIS SUPPLEMENTAL INDENTURE WITNESSETH:

For and in consideration of the premises and the purchase of the Notes by the Holders thereof, and for the purpose of setting forth, as provided in the Base Indenture, the forms and terms of the Notes, the Company covenants and agrees with the Trustee, as follows:

ARTICLE 1
DEFINITIONS AND OTHER PROVISIONS OF GENERAL APPLICATION

Section 1.01. *Definition of Terms.* Unless the context otherwise requires:

(a) the terms defined in this Supplemental Indenture (except as herein otherwise expressly provided or unless the context of this Supplemental Indenture otherwise requires) for all purposes of this Supplemental Indenture and of any indenture supplemental hereto have the respective meanings specified in this Supplemental Indenture. All other terms used in this Supplemental Indenture that are defined in the Base Indenture, either directly or by reference therein (except as herein otherwise expressly provided or unless the context of this Supplemental Indenture otherwise requires), have the respective meanings assigned to such terms in the Base Indenture, as in force at the date of this Supplemental Indenture as originally executed; *provided* that any term that is defined in both the Base Indenture and this Supplemental Indenture shall have the meaning assigned to such term in this Supplemental Indenture;

(b) the singular includes the plural, and vice versa; and

(c) headings are for convenience of reference only and do not affect interpretation.

(d) The following definition shall be applicable in respect of all Notes for purposes of this Supplemental Indenture:

“**Business Day**” means each Monday, Tuesday, Wednesday, Thursday and Friday that is not a day on which banking institutions are authorized or obligated by law, regulation or executive order to close in the City of New York or the city in which the corporate trust office of the Trustee is located.

Section 1.02. *Relationship with Base Indenture.* The terms and provisions contained in the Base Indenture will constitute, and are hereby expressly made, a part of this Supplemental Indenture. However, to the extent any provision of the Base Indenture conflicts with the express provisions of this Supplemental Indenture, the provisions of this Supplemental Indenture will govern and be controlling (including for all purposes of Section 113 of the Base Indenture in respect of the Notes).

ARTICLE 2
TERMS AND CONDITIONS OF NOTES

Section 2.01. *Designation and Principal Amount.*

(a) There is hereby authorized and established a series of Securities under the Base Indenture, designated as the “5.40% Senior Notes due 2023,” which is initially limited in aggregate principal amount to \$1,000,000,000 (except upon registration of transfer of, or in exchange for, or in lieu of, other 2023 Notes pursuant to Section 304, 305, 306, 311, 906 or 1106 of the Base Indenture and except for any Notes which, pursuant to Section 303 of the Base Indenture, are deemed never to have been authenticated and delivered).

(b) There is hereby authorized and established a series of Securities under the Base Indenture, designated as the “6.125% Senior Notes due 2025,” which is initially limited in aggregate principal amount to \$2,000,000,000 (except upon registration of transfer of, or in exchange for, or in lieu of, other 2025 Notes pursuant to Section 304, 305, 306, 311, 906 or 1106 of the Base Indenture and except for any Notes which, pursuant to Section 303 of the Base Indenture, are deemed never to have been authenticated and delivered).

(c) There is hereby authorized and established a series of Securities under the Base Indenture, designated as the “6.80% Senior Notes due 2027,” which is initially limited in aggregate principal amount to \$1,000,000,000 (except upon registration of transfer of, or in exchange for, or in lieu of, other 2027 Notes pursuant to Section 304, 305, 306, 311, 906 or 1106 of the Base Indenture and except for any Notes which, pursuant to Section 303 of the Base Indenture, are deemed never to have been authenticated and delivered).

Section 2.02. *Maturity.*

(b) The Stated Maturity of principal of the 2025 Notes shall be October 1, 2025.

Any such additional 2023 Notes, 2025 Notes or 2027 Notes shall have the same ranking, interest rate, maturity date and other terms as the 2023 Notes, 2025 Notes or 2027 Notes, respectively, but may be offered at a different offering price or have a different issue date, initial interest accrual date or initial interest payment date than such 2023 Notes, 2025 Notes or 2027 Notes, respectively. Any such additional 2023 Notes, 2025 Notes or 2027 Notes, together with the 2023 Notes, 2025 Notes or 2027 Notes herein provided for, shall each respectively constitute a single series of Securities under the Base Indenture.

Section 2.04. *Payment.* Principal of and interest on the Notes shall be payable in U.S. dollars in immediately available funds at the office or agency of the Company

maintained for such purpose, which shall initially be at the Corporate Trust Office of the Trustee; *provided, however*, in the case of certificated Notes that payment of interest may be made at the option of the Company through the Paying Agent by check mailed to the Holder at such address as shall appear in the Security Register at the close of business on the Regular Record Date for such Holder or by wire transfer to an account appropriately designated by the Holder to the Company and the Trustee; and *provided, further*, that the Company through the Paying Agent shall pay principal of and interest on the Notes in the form of Global Securities registered in the name of or held by The Depository Trust Company (“DTC”) or its nominee or such other Depository as may from time to time be designated pursuant to the terms of the Indenture, or its respective nominee, by wire transfer in immediately available funds to such Depository or its nominee, as the case may be, as the registered holder of such Notes in the form of Global Securities.

Section 2.05. *Interest.*

(a) The 2023 Notes shall bear interest (computed on the basis of a 360-day year consisting of twelve 30-day months) from May 12, 2020 at the rate of 5.40% per annum, payable semi-annually in arrears. Interest payable on each Interest Payment Date shall include interest accrued from May 12, 2020, or from the most recent Interest Payment Date to which interest has been paid or duly provided for. Section 2.06. *Authorized Denominations.* Each of the 2023 Notes, 2025 Notes and 2027 Notes shall be issuable in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

Section 2.07. *Redemption and Sinking Fund.*

(a) The 2023 Notes shall not be redeemable at the option of the Company except as set forth in Section 2 of the 2023 Notes. The 2023 Notes shall not be redeemable at the option of the Holders. The 2023 Notes shall not be entitled to the benefit of any sinking fund.

(c) The 2027 Notes shall not be redeemable at the option of the Company except as set forth in Section 2 of the 2027 Notes. The 2027 Notes shall not be redeemable at the option of the Holders. The 2027 Notes shall not be entitled to the benefit of any sinking fund.

Section 2.08. *Ranking.* Each of the 2023 Notes, 2025 Notes and 2027 Notes shall be senior unsecured debt securities of the Company, ranking equally with the Company's other unsecured and unsubordinated indebtedness.

Section 2.09. *Appointments.* The Trustee shall be the initial Security Registrar and initial Paying Agent for each of the 2023 Notes, 2025 Notes and 2027 Notes.

Section 2.10. *Waiver of Certain Covenants.* Without in any way limiting the applicability of Section 1006 of the Base Indenture with respect to the Notes, the Company may, with respect to the 2023 Notes, 2025 Notes or 2027 Notes, also omit in a particular instance to comply with any term, provision or condition set forth in Article 3 of this Supplemental Indenture, if, before or after the time for such compliance, the Holders of not less than a majority in aggregate principal amount of the 2023 Notes, 2025 Notes or 2027 Notes, respectively, at the time Outstanding shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver becomes effective, the obligations of the Company and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect. Nothing in this Section 2.10 shall affect the Company's requirement to comply with Section 513 of the Base Indenture with respect to waivers of past defaults under the Base Indenture.

Section 2.11. *Defeasance.* The Company may elect, at its option at any time, pursuant to Section 402 of the Base Indenture, to have Section 403 or Section 404 in the Base Indenture, or both, apply to the 2023 Notes, 2025 Notes or 2027 Notes, respectively, or any principal amount thereof. Without in any way limiting the

applicability of Section 404 of the Base Indenture with respect to the Notes, upon the Company's exercise of its option to have Section 404 of the Base Indenture applied to all of the Outstanding 2023 Notes, 2025 Notes or 2027 Notes, (1) the Company shall also be deemed to be released from and may omit to comply with its obligations under the covenants contained in Article 3 of this Supplemental Indenture with respect to the 2023 Notes, 2025 Notes or 2027 Notes, respectively, and (2) the failure to comply with any such obligation, covenant, restriction, term or other provision shall not constitute (and shall be deemed not to be or result in) an Event of Default under Section 501(4) or Section 501(7) of the Base Indenture, in each case with respect to the 2023 Notes, 2025 Notes or 2027 Notes, respectively, on and after the date the conditions set forth in Section 405 of the Base Indenture are satisfied.

Section 2.12. *Guarantees.* None of the 2023 Notes, 2025 Notes or 2027 Notes shall be guaranteed by any Person.

ARTICLE 3 COVENANTS

Section 3.01. *Additional Covenants.* In addition to the covenants stated in Article Ten of the Base Indenture, the Notes will be subject to the covenants set forth in Sections 3.03 and 3.04 below. For the avoidance of doubt, the covenants set forth in Sections 3.03 and 3.04 below are solely for the benefit of the Holders of the 2023 Notes, 2025 Notes and 2027 Notes, and are not for the benefit of, or applicable to, any other debt securities issued under the Base Indenture or any other supplemental indenture.

Section 3.02. *Definitions.* The following definitions shall be applicable to Sections 3.03 and 3.04 below:

"Attributable Debt" means, at the time of determination as to any lease, the present value (discounted at the actual rate, if stated, or, if no rate is stated, the implicit rate of interest of such lease transaction as determined by the Company's Chairman, President or any Vice Chairman, the Company's Chief Financial Officer, any Vice President, the Company's Treasurer or any Assistant Treasurer), calculated using the interval of scheduled rental payments under such lease, of the obligation of the lessee for net rental payments during the remaining term of such lease (excluding any subsequent renewal or other extension options held by the lessee). The term **"net rental payments"** means, with respect to any lease for any period, the sum of the rental and other payments required to be paid in such period by the lessee thereunder, but not including, however, any amounts required to be paid by such lessee (whether or not designated as rental or additional rental) on account of maintenance and repairs, insurance, taxes, assessments, water rates, indemnities or similar charges required to be paid by such lessee thereunder or any amounts required to be paid by such lessee thereunder contingent upon the amount of sales, earnings or profits or of maintenance and repairs, insurance, taxes, assessments, water rates, indemnities or similar charges; *provided, however,* that, in the case of any lease which is terminable by the lessee upon the payment of a penalty in an amount which is less than the total discounted net rental payments required to be paid from the later of the first date upon which such lease may be so terminated and the date of the

determination of net rental payments, “net rental payments” shall include the then current amount of such penalty from the later of such two dates, and shall exclude the rental payments relating to the remaining period of the lease commencing with the later of such two dates.

“**Consolidated Tangible Assets**” means, on the date of determination, total assets less goodwill and other intangible assets of the Company and its consolidated subsidiaries, in each case as set forth on the most recently available consolidated balance sheet of the Company and its subsidiaries in accordance with generally accepted accounting principles in the United States.

“**Debt**” means notes, bonds, debentures or other similar evidences of indebtedness for money borrowed.

“**Manufacturing Subsidiary**” means any Subsidiary (A) substantially all the property of which is located within the continental United States of America, (B) which owns a Principal Domestic Manufacturing Property and (C) in which the Company’s investment, direct or indirect and whether in the form of equity, debt, advances or otherwise, is in excess of \$2,500,000,000 as shown on the consolidated books of the Company as of the end of the fiscal year immediately preceding the date of determination; *provided, however*, that “Manufacturing Subsidiary” shall not include any Subsidiary which is principally engaged in leasing or in financing installment receivables or otherwise providing financial or insurance services to the Company or others or which is principally engaged in financing the Company’s operations outside the continental United States of America.

“**Mortgage**” means any mortgage, pledge, lien, security interest, conditional sale or other title retention agreement or other similar encumbrance.

“**Principal Domestic Manufacturing Property**” means all real property located within the continental United States of America and constituting part of any manufacturing plant or facility owned and operated by the Company or any Manufacturing Subsidiary, together with such manufacturing plant or facility (including all plumbing, electrical, ventilating, heating, cooling, lighting and other utility systems, ducts and pipes attached to or constituting a part thereof, but excluding all trade fixtures (unless such trade fixtures are attached to the manufacturing plant or facility in a manner that does not permit removal therefrom without causing substantial damage thereto), business machinery, equipment, motorized vehicles, tools, supplies and materials, security systems, cameras, inventory and other personal property and materials), unless, in the opinion of the Board of Directors of the Company, such manufacturing plant or facility is not of material importance to the total business conducted by the Company and its consolidated affiliates as an entity.

“**Subsidiary**” means any corporation of which at least a majority of the outstanding stock having by the terms thereof ordinary voting power to elect a majority of the board of directors of such corporation (irrespective of whether or not at the time stock of any other class or classes of such corporation shall have or might have voting

power by reason of the happening of any contingency) is at the time owned by the Company, or by one or more Subsidiaries, or by the Company and one or more Subsidiaries.

Section 3.03. *Limitation on Liens.* For the benefit of the Notes, the Company will not, nor will the Company permit any Manufacturing Subsidiary to, issue or assume any Debt secured by a Mortgage upon any Principal Domestic Manufacturing Property of the Company or any Manufacturing Subsidiary or upon any shares of stock or indebtedness of any Manufacturing Subsidiary (whether such Principal Domestic Manufacturing Property, shares of stock or indebtedness are now owned or hereafter acquired) without in any such case effectively providing concurrently with the issuance or assumption of any such Debt that the Notes (together with, if the Company shall so determine, any other indebtedness of the Company or such Manufacturing Subsidiary ranking equally with the Notes and then existing or thereafter created) shall be secured equally and ratably with such Debt, unless the aggregate amount of Debt issued or assumed and so secured by Mortgages, together with all other Debt of the Company and its Manufacturing Subsidiaries which (if originally issued or assumed at such time) would otherwise be subject to the foregoing restrictions, but not including Debt permitted to be secured under clauses (i) through (vii) of the immediately following paragraph, does not at the time exceed 15% of the Consolidated Tangible Assets of the Company.

The above restrictions shall not apply to Debt secured by:

(i) Mortgages on property, shares of stock or indebtedness of any corporation existing at the time such corporation becomes a Manufacturing Subsidiary;

(ii) Mortgages on property existing at the time of acquisition thereof or to secure the payment of all or any part of the purchase or construction price of property, or to secure Debt incurred for the purpose of financing all or part of the purchase or construction price of property or the cost of improvements on property, which Debt is incurred prior to, at the time of, or within 180 days after the later of such acquisition or completion of such improvements or construction or commencement of full operation of such property;

(iii) Mortgages securing Debt of a Manufacturing Subsidiary owing to the Company or to another Manufacturing Subsidiary;

(iv) Mortgages on property of a corporation existing at the time such corporation is merged or consolidated with the Company or a Manufacturing Subsidiary or at the time of a sale, lease or other disposition of the properties of a corporation as an entirety or substantially as an entirety to the Company or a Manufacturing Subsidiary;

(v) Mortgages in favor of the United States of America or any State thereof, or any department, agency or instrumentality or political subdivision of the United States of America or any State thereof, or in favor of any other

country, or any political subdivision thereof, to secure partial, progress, advance or other payments pursuant to any contract or statute or to secure any indebtedness incurred or guaranteed for the purpose of financing all or any part of the purchase price or the cost of construction or improvement of the property subject to such Mortgages (including, without limitation, Mortgages incurred in connection with pollution control, industrial revenue or similar financing);

(vi) Mortgages existing on May 12, 2020; or

(vii) any extension, renewal or replacement (or successive extensions, renewals or replacements) in whole or in part of any Mortgage referred to in the foregoing clauses (i) to (vi) or in this clause (vii); *provided, however*, that the principal amount of Debt secured thereby shall not exceed the principal amount of Debt so secured at the time of such extension, renewal or replacement and that such extension, renewal or replacement shall be limited to all or a part of the property which secured the Mortgage so extended, renewed or replaced (plus improvements on such property).

Section 3.04. *Limitation on Sales and Lease-Backs.* For the benefit of the Notes, the Company will not, nor will the Company permit any Manufacturing Subsidiary to, enter into any arrangement with any person providing for the leasing by the Company or any Manufacturing Subsidiary of any Principal Domestic Manufacturing Property owned by the Company or any Manufacturing Subsidiary on May 12, 2020 (except for temporary leases for a term of not more than five years and except for leases between the Company and a Manufacturing Subsidiary or between Manufacturing Subsidiaries), which property has been or is to be sold or transferred by the Company or such Manufacturing Subsidiary to such person, unless either:

(ii) the Company shall apply an amount in cash equal to the Attributable Debt in respect of such arrangement within 180 days of the effective date of any such arrangement to either (or a combination) of (i) the retirement (other than any mandatory retirement or by way of payment at maturity) of Debt of ours or any Manufacturing Subsidiary (other than Debt owned by the Company or any Manufacturing Subsidiary) which by its terms matures at or is extendible or renewable at the option of the obligor to a date more than twelve months after the date of the creation of such Debt, or (ii) the purchase, construction or development by the Company or a Manufacturing Subsidiary of other comparable property.

ARTICLE 4
FORM OF NOTES

Section 4.01. *Form of Notes.*

(a) The 2023 Notes and the Trustee's certificate of authentication thereon shall be substantially in the form set forth in Exhibit A-1 hereto, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by the Base Indenture and this Supplemental Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required to comply with applicable tax laws or the rules of any securities exchange or Depository therefor or as may, consistent herewith, be determined by the signatory authorized by the Company to execute such 2023 Notes, as evidenced by the execution thereof. All 2023 Notes shall be in fully registered form.

(b) The 2025 Notes and the Trustee's certificate of authentication thereon shall be substantially in the form set forth in Exhibit A-2 hereto, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by the Base Indenture and this Supplemental Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required to comply with applicable tax laws or the rules of any securities exchange or Depository therefor or as may, consistent herewith, be determined by the signatory authorized by the Company to execute such 2025 Notes, as evidenced by the execution thereof. All 2025 Notes shall be in fully registered form.

(c) The 2027 Notes and the Trustee's certificate of authentication thereon shall be substantially in the form set forth in Exhibit A-3 hereto, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by the Base Indenture and this Supplemental Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required to comply with applicable tax laws or the rules of any securities exchange or Depository therefor or as may, consistent herewith, be determined by the signatory authorized by the Company to execute such 2027 Notes, as evidenced by the execution thereof. All 2027 Notes shall be in fully registered form.

Section 4.02. *Global Securities.* Upon their original issuance, the 2023 Notes, 2025 Notes and 2027 Notes shall each be issued in the form of one or more permanent global notes in definitive, fully registered form without interest coupons (the "**Global Securities**") and shall constitute "Global Securities" under the Base Indenture. Each such Global Security shall be duly executed by the Company, shall be authenticated and delivered by the Trustee and shall be initially registered in the name of Cede & Co. as nominee for the Depository. DTC shall be the initial Depository for the 2023 Notes, 2025 Notes and 2027 Notes upon their original issuance. Beneficial interests in the Global Securities will be shown on, and transfers will only be made through, the records maintained by the Depository, its members or its direct or indirect participants, including Euroclear and Clearstream (collectively, the "**Agent Members**").

The Agent Members shall have no rights under the Base Indenture or the Supplemental Indenture with respect to any Global Security held on their behalf by the Depositary, or the Trustee as its custodian, or under the Global Securities. The Depositary or its nominee may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of the Global Securities for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary (or its nominee), or impair, as between the Depositary and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

(a) (i) Transfers of Global Securities shall be limited to transfer in whole, but not in part, to the Depositary, its successors or their respective nominees, except as provided in the Base Indenture. Interests of beneficial owners in the Global Securities may be transferred or exchanged in the name of any Person other than the Depositary or its nominee only in accordance with the applicable rules and procedures of the Depositary and the applicable provisions of Section 311 of the Base Indenture. Global Securities also may be exchanged or replaced, in whole or in part, as provided in Sections 304 and 306 of the Base Indenture. A Global Security may not be exchanged for another Note other than as provided in this Section 4.02(b) or the Base Indenture.

(ii) At such time as all beneficial interests in a particular Global Security have been exchanged for Notes that are issued, under the circumstances permitted under the Base Indenture and this Supplemental Indenture, in the name of a Person other than the Depositary or its nominee (a “**Definitive Security**”) or a particular Global Security has been redeemed, repurchased or cancelled in whole and not in part, each such Global Security shall be returned to or retained and cancelled by the Trustee in accordance with Section 309 of the Base Indenture. At any time prior to such cancellation, if any beneficial interest in a Global Security is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security of the same series or for Definitive Securities, or is being surrendered by the Company for cancellation after redemption, repurchase or other acquisition by the Company, the principal amount of Notes represented by such Global Security shall be reduced accordingly and an endorsement shall be made on such Global Security by the Security Registrar or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security of the same series, such other Global Security shall be increased accordingly and an endorsement shall be made on such other Global Security by the Security Registrar or by the Depositary at the direction of the Trustee to reflect such increase.

(b) Each Note certificate evidencing the Global Securities shall bear a legend in substantially the following form (each defined term in the legend being defined as such for purposes of the legend only):

“UNLESS THIS CERTIFICATE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY, A NEW YORK CORPORATION (“DTC”), NEW YORK, NEW YORK, TO THE COMPANY OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY CERTIFICATE ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. [REVERSE OF NOTE]

1. This Note is one of a duly authorized issue of Securities of the Company (the “**Notes**”), issued and to be issued in one or more series under the Indenture, dated as of September 27, 2013 (as supplemented prior to the date hereof, the “**Base Indenture**”), and the Sixth Supplemental Indenture relating to the Notes dated as of May 12, 2020 (the “**Supplemental Indenture**” and, together with the Base Indenture, the “**Indenture**”), between the Company and The Bank of New York Mellon, as Trustee (the “**Trustee**,” which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof, such series initially limited in aggregate principal amount to \$1,000,000,000; *provided* that the Company may at any time and from time to time, without the consent of any Holder, issue additional Notes of this series.

All terms which are used but not defined in this Note and which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

2. At any time prior to October 2, 2023, the Company may at any time and from time to time, in whole or in part, on at least 10 days’ but not more than 60 days’ prior notice delivered to the registered email or physical address of each Holder of Notes to be redeemed, redeem the Notes at a redemption price equal to the greater of: (i) 100% of the principal amount of the Notes to be redeemed; and (ii) as determined by the Company, the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed that would be due from the redemption date to October 2, 2023 (except that, if such redemption date is not an interest payment date, the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued thereon to the redemption date), discounted to the redemption date on a semiannual basis at a rate equal to the sum of the Treasury Rate plus 50 basis points.

The redemption price for any Notes redeemed pursuant to this Section 2 shall include accrued and unpaid interest, if any, on the principal amount of such Notes up to, but not including, the redemption date. The applicable redemption price will be calculated assuming a 360-day year consisting of twelve 30-day months. Unless the Company defaults in the payment of the applicable redemption price, on and after the applicable redemption date, interest will cease to accrue on the Notes or portions of the Notes called for redemption.

The provisions of Article Eleven of the Base Indenture shall apply to any redemption of the Notes.

For purposes of this Section 2, the following terms shall have the following specified meanings:

“Comparable Treasury Issue” means the United States Treasury security selected by a Reference Treasury Dealer as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed that would be used, at the time of selection and in accordance with customary market practice, in pricing new issues of corporate debt securities of a comparable maturity to the remaining term of such Notes.

“Comparable Treasury Price” means, with respect to any redemption date, as determined by the Company, (A) the average of the five Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest of the Reference Treasury Dealer Quotations or (B) if the Company obtains fewer than five Reference Treasury Dealer Quotations, the average of all Reference Treasury Dealer Quotations so received.

“Reference Treasury Dealer” means (i) each of Deutsche Bank Securities Inc., Barclays Capital Inc., BofA Securities, Inc., Citigroup Global Markets Inc., Goldman Sachs & Co. LLC, J.P. Morgan Securities LLC and Morgan Stanley & Co. LLC and their respective successors, unless any of them ceases to be a primary United States Government securities dealer in New York City (a **“Primary Treasury Dealer”**), in which case the Company will substitute therefor another nationally recognized investment banking firm that is a Primary Treasury Dealer and (ii) two other nationally recognized investment banking firms that are Primary Treasury Dealers as selected by the Company.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer as of 5:00 p.m., New York City time, on the third Business Day preceding that redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue, calculated as of the third Business Day preceding the redemption date, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

3. The Company shall not consolidate with or merge with or into, or convey, transfer or lease all or substantially all of its properties and assets to any Person, unless the provisions of Article Eight of the Base Indenture are complied with.

4. The Base Indenture permits, with certain exceptions as therein provided, the amendment of the Indenture and the modification of the rights and obligations of the Company and the rights of the Holders of the Notes under the Indenture and the Notes at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Notes at the time Outstanding. The Base Indenture and the Supplemental Indenture also contain provisions (including the provisions in Section 1006 of the Base Indenture and Section 2.10 of the Supplemental Indenture) permitting

the Holders of specified percentages in aggregate principal amount of the Notes at the time Outstanding, on behalf of the Holders of all Notes, to waive compliance by the Company with certain provisions of the Indenture and the Notes and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holders of Notes shall be conclusive and binding upon such Holders and upon all future Holders of the Notes and of any Notes issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

5. If an Event of Default with respect to the Notes shall occur and be continuing, the principal of the Notes may be declared, or shall immediately become, due and payable in the manner and with the effect provided in the Indenture.

As provided in and subject to the provisions of the Indenture, the Holders of the Notes shall not have any right to institute any proceeding, judicial or otherwise, with respect to the Indenture, or for the appointment of a receiver or trustee, or for any other remedy thereunder or hereunder, unless certain conditions set forth in the Indenture are met. The foregoing shall not apply to any suit instituted by the Holder of the Notes for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

6. The Base Indenture and the Supplemental Indenture contain provisions for defeasance at any time of the entire indebtedness of the Notes or certain restrictive covenants and Events of Default with respect to such Notes, in each case upon compliance with certain conditions set forth in the Indenture.

7. As provided in the Indenture and subject to certain limitations set forth in the Indenture (including the limitations in Section 311 of the Base Indenture), the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any place where the principal of and any interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose

name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

[This Note is a Global Security and is subject to the provisions of the Base Indenture and the Supplemental Indenture relating to Global Securities, including the limitations in Section 311 of the Base Indenture on transfers and exchanges of Global Securities.]¹

1. This Note is one of a duly authorized issue of Securities of the Company (the “**Notes**”), issued and to be issued in one or more series under the Indenture, dated as of September 27, 2013 (as supplemented prior to the date hereof, the “**Base Indenture**”), and the Sixth Supplemental Indenture relating to the Notes dated as of May 12, 2020 (the “**Supplemental Indenture**” and, together with the Base Indenture, the “**Indenture**”), between the Company and The Bank of New York Mellon, as Trustee (the “**Trustee**,” which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof, such series initially limited in aggregate principal amount to \$2,000,000,000; *provided* that the Company may at any time and from time to time, without the consent of any Holder, issue additional Notes of this series.

All terms which are used but not defined in this Note and which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

2. At any time prior to September 1, 2025, the Company may at any time and from time to time, in whole or in part, on at least 10 days’ but not more than 60 days’ prior notice delivered to the registered email or physical address of each Holder of Notes to be redeemed, redeem the Notes at a redemption price equal to the greater of: (i) 100% of the principal amount of the Notes to be redeemed; and (ii) as determined by the Company, the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed that would be due from the redemption date to September 1, 2025 (except that, if such redemption date is not an interest payment date, the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued thereon to the redemption date), discounted to the redemption date on a semiannual basis at a rate equal to the sum of the Treasury Rate plus 50 basis points.

On or after September 1, 2025, the Company may, at any time and from time to time, in whole or in part, on at least 10 days’ but not more than 60 days’ prior notice mailed to the registered email or physical address of each Holder of Notes to be redeemed, redeem the Notes at a redemption price equal to 100% of the principal amount of the Notes to be redeemed.

The redemption price for any Notes redeemed pursuant to this Section 2 shall include accrued and unpaid interest, if any, on the principal amount of such Notes up to, but not including, the redemption date. The applicable redemption price will be calculated assuming a 360-day year consisting of twelve 30-day months. Unless the Company defaults in the payment of the applicable redemption price, on and after the applicable redemption date, interest will cease to accrue on the Notes or portions of the Notes called for redemption.

The provisions of Article Eleven of the Base Indenture shall apply to any redemption of the Notes.

For purposes of this Section 2, the following terms shall have the following specified meanings:

“Comparable Treasury Issue” means the United States Treasury security selected by a Reference Treasury Dealer as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed that would be used, at the time of selection and in accordance with customary market practice, in pricing new issues of corporate debt securities of a comparable maturity to the remaining term of such Notes (assuming for this purpose that such Notes mature on September 1, 2025).

“Comparable Treasury Price” means, with respect to any redemption date, as determined by the Company, (A) the average of the five Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest of the Reference Treasury Dealer Quotations or (B) if the Company obtains fewer than five Reference Treasury Dealer Quotations, the average of all Reference Treasury Dealer Quotations so received.

“Reference Treasury Dealer” means (i) each of Deutsche Bank Securities Inc., Barclays Capital Inc., BofA Securities, Inc., Citigroup Global Markets Inc., Goldman Sachs & Co. LLC, J.P. Morgan Securities LLC and Morgan Stanley & Co. LLC and their respective successors, unless any of them ceases to be a primary United States Government securities dealer in New York City (a **“Primary Treasury Dealer”**), in which case the Company will substitute therefor another nationally recognized investment banking firm that is a Primary Treasury Dealer and (ii) two other nationally recognized investment banking firms that are Primary Treasury Dealers as selected by the Company.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer as of 5:00 p.m., New York City time, on the third Business Day preceding that redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue, calculated as of the third Business Day preceding the redemption date, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

3. The Company shall not consolidate with or merge with or into, or convey, transfer or lease all or substantially all of its properties and assets to any Person, unless the provisions of Article Eight of the Base Indenture are complied with.

4. The Base Indenture permits, with certain exceptions as therein provided, the amendment of the Indenture and the modification of the rights and obligations of the Company and the rights of the Holders of the Notes under the Indenture and the Notes at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Notes at the time Outstanding. The Base Indenture and the Supplemental Indenture also contain provisions (including the provisions in Section 1006 of the Base Indenture and Section 2.10 of the Supplemental Indenture) permitting the Holders of specified percentages in aggregate principal amount of the Notes at the time Outstanding, on behalf of the Holders of all Notes, to waive compliance by the Company with certain provisions of the Indenture and the Notes and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holders of Notes shall be conclusive and binding upon such Holders and upon all future Holders of the Notes and of any Notes issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

5. If an Event of Default with respect to the Notes shall occur and be continuing, the principal of the Notes may be declared, or shall immediately become, due and payable in the manner and with the effect provided in the Indenture.

As provided in and subject to the provisions of the Indenture, the Holders of the Notes shall not have any right to institute any proceeding, judicial or otherwise, with respect to the Indenture, or for the appointment of a receiver or trustee, or for any other remedy thereunder or hereunder, unless certain conditions set forth in the Indenture are met. The foregoing shall not apply to any suit instituted by the Holder of the Notes for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

6. The Base Indenture and the Supplemental Indenture contain provisions for defeasance at any time of the entire indebtedness of the Notes or certain restrictive covenants and Events of Default with respect to such Notes, in each case upon compliance with certain conditions set forth in the Indenture.

7. As provided in the Indenture and subject to certain limitations set forth in the Indenture (including the limitations in Section 311 of the Base Indenture), the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any place where the principal of and any interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

[REVERSE OF NOTE]

1. This Note is one of a duly authorized issue of Securities of the Company (the “Notes”), issued and to be issued in one or more series under the Indenture, dated as of September 27, 2013 (as supplemented prior to the date hereof, the “Base Indenture”), and the Sixth Supplemental Indenture relating to the Notes dated as of May 12, 2020 (the “Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), between the Company and The Bank of New York Mellon, as Trustee (the “Trustee,” which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof, such series initially limited in aggregate principal amount to \$1,000,000,000; *provided* that the Company may at any time and from time to time, without the consent of any Holder, issue additional Notes of this series.

All terms which are used but not defined in this Note and which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

2. At any time prior to August 1, 2027, the Company may at any time and from time to time, in whole or in part, on at least 10 days’ but not more than 60 days’ prior notice delivered to the registered email or physical address of each Holder of Notes to be redeemed, redeem the Notes at a redemption price equal to the greater of: (i) 100% of the principal amount of the Notes to be redeemed; and (ii) as determined by the Company, the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed that would be due from the redemption date to August 1, 2027 (except that, if such redemption date is not an interest payment date, the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued thereon to the redemption date), discounted to the redemption date on a semiannual basis at a rate equal to the sum of the Treasury Rate plus 50 basis points.

On or after August 1, 2027, the Company may, at any time and from time to time, in whole or in part, on at least 10 days’ but not more than 60 days’ prior notice mailed to the registered email or physical address of each Holder of Notes to be redeemed, redeem the Notes at a redemption price equal to 100% of the principal amount of the Notes to be redeemed.

The redemption price for any Notes redeemed pursuant to this Section 2 shall include accrued and unpaid interest, if any, on the principal amount of such Notes up to, but not including, the redemption date. The applicable redemption price will be calculated assuming a 360-day year consisting of twelve 30-day months. Unless the Company defaults in the payment of the applicable redemption price, on and after the applicable redemption date, interest will cease to accrue on the Notes or portions of the Notes called for redemption.

The provisions of Article Eleven of the Base Indenture shall apply to any redemption of the Notes.

For purposes of this Section 2, the following terms shall have the following specified meanings:

“Comparable Treasury Issue” means the United States Treasury security selected by a Reference Treasury Dealer as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed that would be used, at the time of selection and in accordance with customary market practice, in pricing new issues of corporate debt securities of a comparable maturity to the remaining term of such Notes (assuming for this purpose that such Notes mature on August 1, 2027).

“Comparable Treasury Price” means, with respect to any redemption date, as determined by the Company, (A) the average of the five Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest of the Reference Treasury Dealer Quotations or (B) if the Company obtains fewer than five Reference Treasury Dealer Quotations, the average of all Reference Treasury Dealer Quotations so received.

“Reference Treasury Dealer” means (i) each of Deutsche Bank Securities Inc., Barclays Capital Inc., BofA Securities, Inc., Citigroup Global Markets Inc., Goldman Sachs & Co. LLC, J.P. Morgan Securities LLC and Morgan Stanley & Co. LLC and their respective successors, unless any of them ceases to be a primary United States Government securities dealer in New York City (a **“Primary Treasury Dealer”**), in which case the Company will substitute therefor another nationally recognized investment banking firm that is a Primary Treasury Dealer and (ii) two other nationally recognized investment banking firms that are Primary Treasury Dealers as selected by the Company.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer as of 5:00 p.m., New York City time, on the third Business Day preceding that redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue, calculated as of the third Business Day preceding the redemption date, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

3. The Company shall not consolidate with or merge with or into, or convey, transfer or lease all or substantially all of its properties and assets to any Person, unless the provisions of Article Eight of the Base Indenture are complied with.

4. The Base Indenture permits, with certain exceptions as therein provided, the amendment of the Indenture and the modification of the rights and obligations of the Company and the rights of the Holders of the Notes under the Indenture and the Notes at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Notes at the time Outstanding. The Base Indenture and the Supplemental Indenture also contain provisions (including the provisions in Section 1006 of the Base Indenture and Section 2.10 of the Supplemental Indenture) permitting the Holders of specified percentages in aggregate principal amount of the Notes at the time Outstanding, on behalf of the Holders of all Notes, to waive compliance by the Company with certain provisions of the Indenture and the Notes and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holders of Notes shall be conclusive and binding upon such Holders and upon all future Holders of the Notes and of any Notes issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

5. If an Event of Default with respect to the Notes shall occur and be continuing, the principal of the Notes may be declared, or shall immediately become, due and payable in the manner and with the effect provided in the Indenture.

As provided in and subject to the provisions of the Indenture, the Holders of the Notes shall not have any right to institute any proceeding, judicial or otherwise, with respect to the Indenture, or for the appointment of a receiver or trustee, or for any other remedy thereunder or hereunder, unless certain conditions set forth in the Indenture are met. The foregoing shall not apply to any suit instituted by the Holder of the Notes for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

6. The Base Indenture and the Supplemental Indenture contain provisions for defeasance at any time of the entire indebtedness of the Notes or certain restrictive covenants and Events of Default with respect to such Notes, in each case upon compliance with certain conditions set forth in the Indenture.

7. As provided in the Indenture and subject to certain limitations set forth in the Indenture (including the limitations in Section 311 of the Base Indenture), the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any place where the principal of and any interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.
