On February 18, 2016, General Motors Company (the “Company”) and Goldman, Sachs & Co., Citigroup Global Markets Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated, for themselves and as representatives of the several other underwriters named therein (collectively, the “Underwriters”), entered into an underwriting agreement (the “Underwriting Agreement”), pursuant to which the Company agreed to sell to the Underwriters, and the Underwriters agreed to purchase from the Company, \$2.0 billion aggregate principal amount of the Company’s senior notes, consisting of \$1.25 billion aggregate principal amount of 6.600% Senior Notes due 2036 (the “2036 Notes”) and \$750 million aggregate principal amount of 6.750% Senior Notes due 2046 (the “2046 Notes” and, together with the 2036 Notes, the “Notes”).

On February 23, 2016, the Company completed the offering of the Notes. The 2036 Notes and the 2046 Notes were each issued as a separate series of debt securities pursuant to the indenture, dated as of September 27, 2013 (the “Base Indenture”), between the Company and The Bank of New York Mellon, as trustee (the “Trustee”), as supplemented by a third supplemental indenture, dated as of February 23, 2016 (the “Supplemental Indenture”), between the Company and the Trustee. The Supplemental Indenture, along with the Base Indenture, each as amended and supplemented, govern the terms of the Notes.

In connection with the offering of the Notes, the Company filed with the Securities and Exchange Commission (the “SEC”) a Prospectus Supplement, dated February 18, 2016, and a Prospectus, dated April 30, 2014, which was included as part of the Company’s shelf registration statement (File No. 333-195601) that became effective under the Securities Act of 1933, as amended, when filed with the SEC on April 30, 2014.

The foregoing description of the Underwriting Agreement and Supplemental Indenture does not constitute a complete summary of these documents and is qualified by reference in its entirety to the full text of the Underwriting Agreement and the Supplemental Indenture, which are filed herewith as Exhibit 1.1 and Exhibit 4.1, respectively.

Ladies and Gentlemen:

I.

General Motors Company, a Delaware corporation (the "**Company**"), proposes to issue and sell to the several underwriters named in Schedule I hereto (collectively, the "**Underwriters**"), for whom Goldman, Sachs & Co., Citigroup Global Markets Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated are acting as representatives (the "**Representatives**"), \$1,250,000,000 aggregate principal amount of its 6.600% Senior Notes due 2036 (the "**2036 Notes**") and \$750,000,000 aggregate principal amount of its 6.750% Senior Notes due 2046 (the "**2046 Notes**" and, together with the 2036 Notes, the "**Securities**") all to be

issued pursuant to the provisions of an Indenture dated as of September 27, 2013 (as defined below) (the “**Base Indenture**”) between the Company and The Bank of New York Mellon, as Trustee (the “**Trustee**”), as supplemented by a supplemental indenture to be dated as of the Closing Date (the “**Third Supplemental Indenture**” and, together with the Base Indenture, the “**Indenture**”) between the Company and the Trustee.

The Company has filed with the Securities and Exchange Commission (the “**Commission**”) a registration statement, including a prospectus (File No. 333-195601), on Form S-3 relating to certain securities of the Company (the “**Shelf Securities**”), including the Securities, to be sold from time to time by the Company. The registration statement as amended to the date of this Agreement, including the information (if any) deemed to be part of the registration statement at the time of effectiveness pursuant to Rule 430A or Rule 430B under the Securities Act of 1933, as amended (together with the rules and regulations of the Commission promulgated thereunder, the “**Securities Act**”), is hereinafter referred to as the “**Registration Statement**,” and the related prospectus covering the Shelf Securities dated April 30, 2014 in the form first used to confirm sales of the Securities (or in the form first made available to the Underwriters by the Company to meet requests of purchasers pursuant to Rule 173 under the Securities Act) is hereinafter referred to as the “**Basic Prospectus**.” The Basic Prospectus, as supplemented by the prospectus supplement specifically relating to the Securities in the form first used to confirm sales of the Securities (or in the form first made available to the Underwriters by the Company to meet requests of purchasers pursuant to Rule 173 under the Securities Act) is hereinafter referred to as the “**Prospectus**,” and the term “**Preliminary Prospectus**” means any preliminary form of the Prospectus (including any preliminary prospectus supplement and the Basic Prospectus attached thereto) filed with the Commission pursuant to Rule 424(b) under the Securities Act.

The term “**Permitted Free Writing Prospectus**” as used herein means the documents identified in Schedule II hereto and any other “**free writing prospectus**” (as defined in Rule 405 under the Securities Act) that the Representatives and the Company shall hereafter agree in writing to treat as part of the Disclosure Package. The term “**Disclosure Package**” as used herein means the Preliminary Prospectus dated February 18, 2016 together with the term sheet set forth in Annex II-A hereto and any other Permitted Free Writing Prospectuses. “**Initial Sale Time**” shall mean 5:05 p.m. Eastern Standard Time on the date of this Agreement. As used herein, the terms “Registration Statement,” “Basic Prospectus,” “Preliminary Prospectus,” “Disclosure Package” and “Prospectus” shall include the documents, if any, incorporated by reference therein as of the date hereof. The terms “**supplement**,” “**amendment**” and “**amend**” as used herein with respect to the Registration Statement, the Basic Prospectus, the Preliminary Prospectus, the Disclosure Package or the Prospectus shall include all documents subsequently filed by the Company with the Commission pursuant to the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), that are deemed to be incorporated by reference therein.

II.

The Company hereby agrees to sell to the several Underwriters, and each Underwriter, upon the basis of the representations and warranties herein contained, but subject to the

conditions hereinafter stated, agrees, severally and not jointly, to purchase from the Company the respective principal amount of Securities set forth in Schedule I hereto opposite its name at a purchase price of 99.145% of the principal amount thereof in the case of the 2036 Notes and 99.034% of the principal amount thereof in the case of the 2046 Notes (in respect of each series of Notes, the "**Purchase Price**") plus accrued interest, if any, from February 23, 2016 to the Closing Date.

III.

The Company is advised by the Representatives that the Underwriters propose to make a public offering of their respective portions of the Securities as soon as practicable after this Agreement is entered into as in the Representatives' judgment is advisable upon the terms and conditions set forth in this Agreement and the Disclosure Package and to be set forth in the Prospectus.

IV.

The Company will deliver the Securities, against payment of the Purchase Price therefor plus accrued interest, if any, from February 23, 2016 to the Closing Date (as defined below), in the form of one or more permanent global securities (the "**Global Securities**") deposited with the Trustee as custodian for The Depository Trust Company ("**DTC**") and registered in the name of Cede & Co. as nominee for DTC. Interests in any permanent Global Securities will be held only in book-entry form through DTC, except in the limited circumstances described in the Registration Statement, the Disclosure Package and the Prospectus. Payment for the Securities shall be made by the several Underwriters through the Representatives by wire transfer in immediately available funds to an account specified by the Company at 10:00 A.M. (New York time) on February 23, 2016, which date and time may be postponed by agreement between the Representatives and the Company or as provided in Article XVI (such date and time of delivery and payment for the Securities being herein called the "**Closing Date**"), against delivery to the Trustee as custodian for DTC of the Global Securities representing all of the Securities.

V.

The several obligations of the Underwriters hereunder are subject to the following conditions:

(a) (i) No stop order suspending the effectiveness of the Registration Statement in the United States shall be in effect and no proceedings for such purpose shall be pending before or threatened by the Commission; (ii) there shall have been no material adverse change (not in the ordinary course of business) or any material development involving a prospective material adverse change (not in the ordinary course of business) in the financial condition of the Company and its subsidiaries, taken as a whole, in each case, from that set forth in the Registration Statement, the Disclosure Package and the Prospectus; (iii) the representations and warranties of the Company in this Agreement that are subject to any limitation as to "materiality" or "material adverse effect" shall be true and correct in all respects on and as of the Closing Date with the same effect as if made on the Closing Date, and the representations and

warranties of the Company in this Agreement that are not subject to any limitation as to “materiality” or “material adverse effect” shall be true and correct in all material respects on and as of the Closing Date with the same effect as if made on the Closing Date; and (iv) the Representatives shall have received on the Closing Date a certificate, dated the Closing Date and signed by an executive officer, including without limitation the Treasurer or Assistant Treasurer of the Company (acting on behalf of the Company and without personal liability), to the foregoing effect. The officer making such certificate may rely upon the best of his knowledge as to proceedings threatened or prospective changes.

(b) If the Company has rated debt outstanding, subsequent to the execution and delivery of this Agreement and prior to the Closing Date, there shall not have occurred any downgrading, nor shall any notice have been given of any intended or potential downgrading or of any review for a possible change that does not indicate the direction of the possible change, in the rating accorded any of the debt securities of the Company by any “nationally recognized statistical rating organization,” as such term is defined in Section 3(a)(62) of the Exchange Act. For the avoidance of doubt, any undrawn balance under the Amended and Restated 3-Year Revolving Credit Agreement, dated as of October 17, 2014, among the Company, General Motors Financial Company, Inc., GM Europe Treasury Company AB, General Motors do Brasil Ltda., the subsidiary borrowers from time to time parties thereto, the several lenders from time to time party thereto, JPMorgan Chase Bank, N.A., as administrative agent, and Citibank, N.A., as syndication agent and the Amended and Restated 5-Year Revolving Credit Agreement, dated as of October 17, 2014, among the Company, General Motors Financial Company, Inc., General Motors do Brasil Ltda., the subsidiary borrowers from time to time parties thereto, the several lenders from time to time party thereto, JPMorgan Chase Bank, N.A., as administrative agent, and Citibank, N.A., as syndication agent, shall not be considered outstanding debt for purposes of this clause (b).

(c) No action shall have been taken and no statute, rule, regulation or order shall have been enacted, adopted or issued by any federal or state governmental or regulatory authority that would, as of the Closing Date, prevent the sale of the Securities by the Company in the United States; and no injunction or order of any federal or state court shall have been issued that would, as of the Closing Date, prevent the sale of the Securities by the Company in the United States.

(d) The Representatives shall have received on the Closing Date (i) an opinion of an attorney on the Legal Staff of the Company, dated the Closing Date, to the effect set forth in Exhibit A-1, and (ii) a Rule 10b-5 statement of an attorney on the Legal Staff of the Company, dated the Closing Date, to the effect set forth in Exhibit A-2.

(e) The Representatives shall have received on the Closing Date (i) an opinion of counsel for the Company, dated the Closing Date, to the effect set forth in Exhibit A-3, and (ii) a Rule 10b-5 statement of counsel for the Company, dated the Closing Date, to the effect set forth in Exhibit A-4.

(f) The Representatives shall have received on the Closing Date (i) an opinion of counsel for the Underwriters, dated the Closing Date, to the effect set forth in Exhibit B-1, and

(ii) a Rule 10b-5 statement of counsel for the Underwriters, dated the Closing Date, to the effect set forth in Exhibit B-2.

(g) The Representatives shall have received on each of the date hereof and the Closing Date customary “comfort letters,” dated the date hereof or the Closing Date, as the case may be, in form and substance reasonably satisfactory to the Representatives, from Deloitte & Touche LLP.

(h) The Representatives shall have received on the Closing Date (i) duly executed copies of the Indenture and (ii) specimen copies of the global notes representing the Securities.

VI.

In further consideration of the agreements of the Underwriters contained in this Agreement, the Company covenants as follows:

(a) To furnish the Representatives, upon written request, without charge, a copy of the Disclosure Package and the Registration Statement, including exhibits and materials, if any, incorporated by reference therein and, during the period beginning with the Initial Sale Time (and, in the case of the Prospectus, prior to 10:00 a.m. New York City time on the business day next succeeding the date of this Agreement) and ending on the later of the Closing Date, or such date as the Prospectus is no longer required by the Securities Act to be delivered in connection with the initial offering or sale of the Securities (including in circumstances where such requirement may be satisfied pursuant to Rule 172) (the “**Prospectus Delivery Period**”), as many copies of the Disclosure Package, the Prospectus, any Permitted Free Writing Prospectuses, any documents incorporated by reference therein and any supplements and amendments thereto, as applicable, in all cases as the Representatives may reasonably request.

(b) During the Prospectus Delivery Period, (x) before amending or supplementing the Registration Statement, the Disclosure Package or the Prospectus (including by way of filing with the Commission any documents incorporated by reference therein), to furnish the Representatives a copy of each such proposed amendment or supplement, and (y) to notify the Representatives as promptly as practicable of the filing with the Commission of any such amendment or supplement to the Registration Statement, the Disclosure Package or the Prospectus.

(c) To furnish to the Representatives, upon written request, copies of each amendment and supplement to the Registration Statement, the Disclosure Package or the Prospectus (including by way of filing with the Commission any documents incorporated by reference therein), in such quantities as the Representatives may from time to time reasonably request; and if, during the Prospectus Delivery Period, either (i) any event shall have occurred as a result of which the Registration Statement, the Disclosure Package or the Prospectus, in each case as then so amended or supplemented would, as determined by the Company, include any untrue statement of a material fact, or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, or (ii) for any other reason, as determined by the Company, it shall

be necessary to amend or supplement the Registration Statement, the Disclosure Package or the Prospectus, in each case as then so amended or supplemented, or to file under the Exchange Act any document incorporated by reference in the Registration Statement, the Disclosure Package or the Prospectus, as the case may be, in order to comply with the Securities Act or the Exchange Act, the Company will (A) notify the Underwriters to suspend offers and sales of the Securities and if notified by the Company, the Underwriters shall forthwith suspend such solicitation and cease using the Registration Statement, the Disclosure Package or the Prospectus, as the case may be and in each case as then amended or supplemented, and (B) promptly prepare and file with the Commission such document incorporated by reference in the Registration Statement, the Disclosure Package or the Prospectus, as the case may be, or promptly prepare an amendment or supplement to such Registration Statement, Disclosure Package or Prospectus, as applicable, which will correct such statement or omission or effect such compliance, and will provide to the Underwriters without charge a reasonable number of copies thereof as requested by the Underwriters, which the Underwriters shall use thereafter.

(d) To furnish to the Representatives a copy of each proposed free writing prospectus to be prepared by or on behalf of, used by, or referred to by the Company and not to use or refer to any proposed free writing prospectus to which the Representatives reasonably object.

(e) To use its reasonable best efforts to cooperate with the Underwriters and their counsel in connection with the qualification or registration of the Securities for offer and sale under the securities or "Blue Sky" laws of such jurisdictions as the Representatives may reasonably request and to maintain such qualification in effect for as long as may be necessary to complete the sale of the Securities pursuant to this Agreement; *provided, however*, that in connection therewith the Company shall not be required to qualify as a foreign corporation to do business, or to file a general consent to service of process, in any jurisdiction, or to take any other action that would subject it to general service of process or to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject.

(f) The Company will as promptly as practicable notify the Representatives of the issuance by the Commission of any order suspending the effectiveness of the Registration Statement or preventing or suspending the use of any Preliminary Prospectus, any of the Disclosure Package or the Prospectus or having the effect of ceasing or suspending trading in the Securities or the initiation or threatening of any proceeding for that purpose or pursuant to Section 8A of the Securities Act or the receipt by the Company of any notice with respect to any suspension of the qualification or distribution of the Securities for offer and sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and the Company will use its reasonable best efforts to prevent the issuance of any such order suspending the effectiveness of the Registration Statement, preventing or suspending the use of any Preliminary Prospectus, any of the Disclosure Package or the Prospectus or suspending any such qualification or distribution of the Securities, or having the effect of ceasing or suspending trading in the Securities, and, if any such order is issued, will use its reasonable best efforts as soon as practicable to obtain the withdrawal thereof.

(g) The Company, during the Prospectus Delivery Period, will file timely (giving effect to any grace periods or extensions available under applicable Commission regulations) all documents required to be filed with the Commission pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act.

(h) Without the prior written consent of the Representatives on behalf of the Underwriters, the Company will not, during the period beginning on the date hereof and continuing to and including the Closing Date, offer, sell, contract to sell or otherwise dispose of any debt securities of the Company or warrants to purchase debt securities of the Company substantially similar to the Securities (other than the sale of the Securities under this Agreement).

(i) The Company will (i) in respect of the Securities, promptly within the time periods specified therein, effect the filings required of it pursuant to Rule 424 and/or Rule 433 under the Securities Act, and (ii) take such steps as it deems necessary to ascertain promptly whether any Permitted Free Writing Prospectus transmitted for filing under Rule 433 of the Securities Act was received for filing by the Commission and, in the event that such Permitted Free Writing Prospectus was not so received, it will promptly file the relevant Permitted Free Writing Prospectus.

VII.

(a) Each of the Underwriters, severally and not jointly, represents and warrants to, and agrees with, the Company that:

(i) in relation to each Member State of the European Economic Area (each, a “**Relevant Member State**”), it has not made and will not make an offer of Securities to the public in that Relevant Member State other than (A) to any legal entity which is a qualified investor as defined in the Prospectus Directive; (B) to fewer than 100 or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive), as permitted under the Prospectus Directive, subject to obtaining the prior consent of the Representatives; or (C) in any other circumstances falling within Article 3(2) of the Prospectus Directive, provided that no such offer of Securities shall require the Company or any Underwriter to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive. For the purpose of this provision, (x) the expression “**an offer to the public**” in relation to any Securities in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Securities to be offered so as to enable an investor to decide to purchase or subscribe the Securities, as the same may be varied in the Relevant Member State by any measure implementing the Prospectus Directive in the Relevant Member State and (y) the expression “**Prospectus Directive**” means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member States) and includes any relevant implementing

measure in the Relevant Member State and (z) the expression “**2010 PD Amending Directive**” means Directive 2010/73/EU;

(ii) (A) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the Financial Services and Markets Act 2000 (the “**FSMA**”)) received by it in connection with the issue or sale of any Securities in circumstances in which Section 21(1) of the FSMA does not apply to the Company; and (B) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Securities in, from or otherwise involving the United Kingdom;

(iii) (A) it has not offered or sold and will not offer or sell in Hong Kong, by means of any document, any Securities other than (i) to “**professional investors**” as defined in the Securities and Futures Ordinance (Cap. 571) of Hong Kong and any rules made under that Ordinance, or (ii) in other circumstances which do not result in the document being a “**prospectus**” as defined in the Companies Ordinance (Cap. 32) of Hong Kong or which do not constitute an offer or invitation to the public within the meaning of that Ordinance; and (B) it has not issued or had in its possession for the purposes of issue, and will not issue or have in its possession for the purposes of issue, whether in Hong Kong or elsewhere, any advertisement, invitation or document relating to the Securities, which is directed at, or the contents of which are likely to be accessed or read by, the public of Hong Kong (except if permitted to do so under the securities laws of Hong Kong) other than with respect to Securities which are or are intended to be disposed of only to persons outside Hong Kong or only to “**professional investors**” as defined in the Securities and Futures Ordinance and any rules made under that Ordinance;

(iv) the Securities have not been and will not be registered under the Financial Instruments and Exchange Law of Japan (the “**Financial Instruments and Exchange Law**”) and each Underwriter has agreed that it will not offer or sell any Securities, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan (which term as used herein means any person resident in Japan, including any corporation or other entity organized under the laws of Japan), or to others for re-offering or resale, directly or indirectly, in Japan or to a resident of Japan, except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Financial Instruments and Exchange Law and any other applicable laws, regulations and ministerial guidelines of Japan.

(v) the Prospectus Supplement has not been registered as a prospectus with the Monetary Authority of Singapore. Accordingly, the Prospectus Supplement and any other document or material in connection with the offer or sale, or invitation for subscription or purchase, of the Securities may not be circulated or distributed, nor may the Securities be offered or sold, or be made the subject of an invitation for subscription or purchase, whether directly or indirectly, to persons in Singapore other than (A) to an

institutional investor under Section 274 of the Securities and Futures Act, Chapter 289 of Singapore (the “SFA”), (B) to a relevant person, or any person pursuant to Section 275(1A), and in accordance with the conditions, specified in Section 275 of the SFA, or (C) otherwise pursuant to, and in accordance with the conditions of, any other applicable provision of the SFA. Where the Securities are subscribed or purchased under Section 275 by a relevant person which is: (y) a corporation (which is not an accredited investor) the sole business of which is to hold investments and the entire share capital of which is owned by one or more individuals, each of whom is an accredited investor; or (z) a trust (where the trustee is not an accredited investor) whose sole purpose is to hold investments and each beneficiary is an accredited investor, shares, debentures and units of shares and debentures of that corporation or the beneficiaries’ rights and interest in that trust shall not be transferable for 6 months after that corporation or that trust has acquired the Securities under Section 275 except: (1) to an institutional investor under Section 274 of the SFA or to a relevant person, or any person pursuant to Section 275(1A), and in accordance with the conditions, specified in Section 275 of the SFA; (2) where no consideration is given for the transfer; or (3) by operation of law.

(b) Each of the Underwriters, severally and not jointly, represents and warrants to, and agrees with, the Company that:

(i) it has not made and will not make any offer relating to the Securities that would constitute a free writing prospectus (other than a free writing prospectus which (A) is a Permitted Free Writing Prospectus or (B) consists of the electronic roadshow slides and accompanying audio recording), without the prior written consent of the Company, and any free writing prospectus or Permitted Free Writing Prospectus prepared by or on behalf of such Underwriter will only be used by such Underwriter if it complies in all material respects with the requirements of the Securities Act;

(ii) (A) it is aware that, other than registering and qualifying the Securities under the Securities Act, qualifying the Indenture under the Trust Indenture Act (as defined below) and complying with any applicable U.S. state securities or “Blue Sky” laws, no action has been or will be taken by the Company that would permit the offer or sale of the Securities or possession or distribution of the Preliminary Prospectus, the Disclosure Package or the Prospectus, or any other offering material relating to the Securities, in any jurisdiction where action for that purpose is required and (B) accordingly, it will observe all applicable laws and regulations in each jurisdiction in or from which it may directly or indirectly acquire, offer, sell or deliver Securities or have in its possession or distribute the Preliminary Prospectus, the Disclosure Package or the Prospectus or any other offering material relating to the Securities, and it will obtain any consent, approval or permission required by it for the purchase, offer or sale by it of Securities under the laws and regulations in force in any such jurisdiction to which it is subject or in which it makes such purchase, offer or sale;

(iii) none of the Company or any Underwriter shall have any responsibility for determining what compliance is necessary by any Underwriter or any other Underwriter

or for the Underwriters or any other Underwriter obtaining such consents, approvals or permissions;

(iv) it will take no action that will impose any obligations on the Company or the other Underwriters; and

(v) without the Company's consent, the Underwriters are not authorized to give any information or to make any representation not contained in the Preliminary Prospectus, the Disclosure Package or the Prospectus or any documents specifically referred to therein or in any free writing prospectus which (A) is a Permitted Free Writing Prospectus or (B) consists of the electronic roadshow slides and accompanying audio recording, in connection with the offer and sale of the Securities.

VIII.

The Company represents and warrants to each of the several Underwriters that:

(a) Each part of the Registration Statement, when such part became effective, did not contain, and each part, as amended or supplemented, will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(b) The Registration Statement as of the date hereof does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(c) The Preliminary Prospectus does not contain and the Prospectus, in the form used by the Underwriters to confirm sales and on the Closing Date, will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(d) At the Initial Sale Time, the Disclosure Package did not, and at the time of each sale of the Securities in connection with the offering when the Prospectus is not yet available to prospective purchasers and at the Closing Date, the Disclosure Package, as then amended or supplemented by the Company, if applicable, will not, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(e) Each Permitted Free Writing Prospectus, when considered together with the Disclosure Package and any Additional Written Offering Communication (as defined below), when taken together with the Disclosure Package, does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(f) No Issuer Free Writing Prospectus (as defined in Rule 433 under the Securities Act), as supplemented and amended by and taken together with the Disclosure Package, conflicts

in any material respect with the information contained in the Registration Statement and the Prospectus. Each Issuer Free Writing Prospectus that the Company has filed, or is required to file, pursuant to Rule 433(d) under the Securities Act or that was prepared by or on behalf of or used or referred to by the Company complies or will comply in all material respects with the Securities Act.

(g) As of the applicable effective date of the Registration Statement and any amendment thereto, the Registration Statement complied and as of the Closing Date will comply in all material respects with the Securities Act and the Trust Indenture Act of 1939, as amended, and the rules and regulations of the Commission thereunder (collectively, the “**Trust Indenture Act**”).

X.

The Company agrees to indemnify and hold harmless each Underwriter, its affiliates, each person, if any, who "controls" (within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act) such Underwriter and each of such Underwriter's and such person's officers and directors against any and all losses, liabilities, costs or claims (or actions in respect thereof) to which any of them may become subject (including all reasonable costs of investigating, disputing or defending any such claim or action), insofar as such losses, liabilities, costs or claims (or actions in respect thereof) arise out of or in connection with any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Disclosure Package (or any part thereof) or any amendment or supplement thereto, any Permitted Free Writing Prospectus prepared by or on behalf of, used by, or referred to by the Company, any Additional Written Offering Communication or the Prospectus or any amendment or supplement thereto, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the

circumstances under which they were made, not misleading; *provided* that the Company shall not be liable for any such loss, liability, cost, action or claim arising from any statements or omissions made in reliance on and in conformity with written information provided by an Underwriter to the Company or its representatives expressly for use in the Registration Statement, the Disclosure Package or any amendment or supplement thereto, any Permitted Free Writing Prospectus prepared by or on behalf of, used by, or referred to by the Company, or the Prospectus or any amendment or supplement thereto.

Each Underwriter severally and not jointly agrees to indemnify and hold harmless the Company, its affiliates, each person, if any, who “controls” (within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act) the Company, and the Company’s and such person’s officers and directors from and against any and all losses, liabilities, costs or claims (or actions in respect thereof) to which any of them may become subject (including all reasonable costs of investigating, disputing or defending any such claim or action), insofar as such losses, liabilities, costs or claims (or actions in respect thereof) arise out of or in connection with any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Disclosure Package or any amendment or supplement thereto, any Permitted Free Writing Prospectus prepared by or on behalf of, used by, or referred to by the Company, or the Prospectus or any amendment or supplement thereto, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein in the light of the circumstances under which they were made, not misleading, in each case as to the Registration Statement, the Disclosure Package (or any part thereof) or any amendment or supplement thereto, any Permitted Free Writing Prospectus prepared by or on behalf of, used by, or referred to by the Company, any Additional Written Offering Communication or the Prospectus or any amendment or supplement thereto, only to the extent that such untrue statement or alleged untrue statement or omission or alleged omission (x) was made in reliance on and in conformity with written information furnished to the Company by the Underwriters expressly for use in the Registration Statement, the Disclosure Package or any amendment or supplement thereto, any Permitted Free Writing Prospectus prepared by or on behalf of, used by, or referred to by the Company, any Additional Written Offering Communication or the Prospectus or any amendment or supplement thereto, or (y) is contained in any free writing prospectus that is not a Permitted Free Writing Prospectus prepared by or on behalf of the Underwriter (except to the extent such information has been accurately extracted from the Prospectus, any Permitted Free Writing Prospectus prepared by or on behalf of the Company or any Additional Written Offering Communication).

If any claim, demand, action or proceeding (including any governmental investigation) shall be brought or alleged against an indemnified party in respect of which indemnity is to be sought against an indemnifying party pursuant to the preceding paragraphs, the indemnified party shall promptly notify the indemnifying party in writing, and the indemnifying party, upon request of the indemnified party, shall retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnified party may designate in such proceeding and shall pay the reasonable fees and expenses of such counsel related to such proceeding; provided, however, that in the event the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within

a reasonable time after notice of any such proceeding, the indemnified party shall then be entitled to retain counsel reasonably satisfactory to itself and the indemnifying party shall pay the reasonable fees and disbursements of such counsel relating to the proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the reasonable fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel, (ii) the indemnifying party has failed within a reasonable time to retain counsel reasonably satisfactory to such indemnified party pursuant to the preceding sentence or (iii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is agreed that the indemnifying party shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees and expenses of more than one separate law firm (in addition to local counsel where necessary) for all such indemnified parties. Such firm shall be designated in writing by the indemnified party. The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is entitled to indemnification hereunder, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding and does not include a statement as to an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

If the indemnification provided for in this Article X is unavailable as a matter of law to an indemnified party in respect of any losses, claims, damages or liabilities referred to therein, then each indemnifying party, in lieu of indemnifying such indemnified party in respect of such losses, claims, damages or liabilities, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (i) if the indemnifying party is the Company, in such proportion as is appropriate to reflect the relative benefit received by the Company on the one hand and the Underwriters on the other from the offering of the Securities, (ii) if an Underwriter is the indemnifying party, in such proportion as is appropriate to reflect the Underwriter's relative fault on the one hand and that of the Company on the other hand in connection with the statements or omissions or alleged statements or omissions which resulted in such losses, claims, damages or liabilities, or (iii) if the allocation provided by clause (i) or clause (ii) above, as the case may be, is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefit referred to in clause (i) above or the relative fault referred to in clause (ii) above, as the case may be, but also such relative fault (in cases covered by clause (i)) or such relative benefit (in cases covered by clause (ii)) as well as any other relevant equitable considerations. The relative benefit received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the Prospectus. The relative fault of the Company on the one hand and of the

Underwriters on the other shall be determined by reference to, among other things, and where applicable, whether the untrue statement or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omissions.

The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Article X were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the considerations referred to in the immediately preceding paragraph. The amounts paid or payable by an indemnified party as a result of the losses, claims, damages and liabilities referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any reasonable legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this paragraph, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by such Underwriter and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. Notwithstanding the provisions of this Article X concerning contribution, no indemnifying party shall be required to make contribution in respect of such losses, claims, damages or liabilities in any circumstances in which such party would not have been required to provide indemnification. Nothing herein contained shall be deemed to constitute a waiver by an indemnified party of such party's rights, if any, to receive contribution pursuant to Section 11(f) of the Securities Act or other applicable law. No person guilty of "fraudulent misrepresentation" (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Article X are several, in proportion to the respective principal amounts of Securities purchased by each of such Underwriters, and not joint. The remedies provided for in this Article X are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

The indemnity and contribution agreements contained in this Article X and the representations and warranties of the Company and the Underwriters in this Agreement, shall remain operative and in full force and effect regardless of: (i) any termination of this Agreement; (ii) any investigation made by an indemnified party or on such party's behalf or any person controlling an indemnified party or by or on behalf of the indemnifying party, its directors or officers or any person controlling the indemnifying party; and (iii) acceptance of and payment for any of the Securities.

XI.

The Representatives on behalf of the Underwriters may terminate this Agreement (upon consultation with the Company) at any time prior to the time on the Closing Date at which payment would otherwise be due under this Agreement to the Company if (i) in the opinion of the Representatives, a material disruption in securities settlement, payment or clearance services

in the United States shall have occurred or there shall have been a change in national or international financial, political or economic conditions or currency exchange rates or exchange controls which in their view will have a materially adverse effect on the success of the offering and distribution of the Securities or (ii) trading in securities generally on the New York Stock Exchange shall have been suspended generally or materially limited. In the event of any such termination and after consultation with the Company, the parties to this Agreement shall be released and discharged from their respective obligations under this Agreement without liability on the part of any Underwriter or on the part of the Company and each party will pay its own expenses.

XII.

The Company and each Underwriter acknowledge and agree that each Underwriter is acting solely in the capacity of an arm's length contractual counterparty to the Company with respect to the offering of the Securities contemplated by this Agreement (including in connection with determining the terms of the offering) and not as a fiduciary to, or an agent of, the Company or any other person. Each Underwriter represents and warrants to the Company that, except as previously disclosed in writing to the Company, neither the Underwriter nor any affiliate thereof, to the best of their respective knowledge, has any current arrangement with any third party which would permit such Underwriter or any such affiliate to benefit financially, directly or indirectly, from the Underwriter's participation in the determination of the terms of the offering, including the pricing of the Securities. Additionally, each Underwriter is not advising the Company or any other person as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction. The Company shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated hereby, and the Underwriters shall have no responsibility or liability to the Company with respect thereto. Any review by the Underwriters of the Company, the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of the Underwriters and shall not be on behalf of the Company.

XIII.

This Agreement shall be binding upon the Underwriters and the Company, and inure solely to the benefit of the Underwriters and the Company and any other person expressly entitled to indemnification hereunder and the respective personal representatives, successors and assigns of each, and no other person shall acquire or have any rights under or by virtue of this Agreement.

XIV.

Except as otherwise specifically provided herein, all statements, requests, notices and advices hereunder shall be in writing and if to an Underwriter shall be sufficient in all respects if delivered in person or sent by facsimile transmission (confirmed in writing), or registered mail to such Underwriter at its address or facsimile number and if to the Company shall be sufficient in all respects if delivered or sent by facsimile or registered mail to the Company at 300

Renaissance Center, Detroit, Michigan 48265, facsimile number 313-665-4979, marked for the attention of the Secretary. Notices shall be provided to Goldman, Sachs & Co., 200 West Street New York, NY 10282, Attention: Registration Department; Citigroup Global Markets Inc., 388 Greenwich Street, New York, New York 10013, facsimile number 646-291-1469, Attention: General Counsel; and Merrill Lynch, Pierce, Fenner & Smith Incorporated, 50 Rockefeller Plaza, NY1-050-12-01, New York, New York 10020, Attention: High Grade Debt Capital Markets Transaction Management/Legal. All notices hereunder shall be effective on receipt.

XV.

If on the Closing Date any one or more Underwriters shall fail to purchase and pay for any of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder on such date and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Underwriters shall be obligated, severally, to take and pay for (in the respective proportions which the principal amount of Securities set forth opposite their names on Schedule I hereto bears to the aggregate principal amount of Securities set forth opposite the names of all of the remaining non-defaulting Underwriters) the Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase on such date. Notwithstanding the foregoing, if the aggregate principal amount of Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase on the Closing Date shall exceed 10% of the aggregate principal amount of Securities to be purchased on such date, after giving effect to any alternative arrangements for the purchase of such Securities that are satisfactory to the Representatives and the Company and which are made within thirty-six (36) hours after the Closing Date, the remaining Underwriters shall have the right to purchase all, but shall not be under any obligation to purchase any, of such Securities, and if such non-defaulting Underwriters do not purchase all of the Securities, this Agreement will terminate without liability to any non-defaulting Underwriter or the Company, except that the provisions of Article X shall not terminate and shall remain in effect. In the event of a default by any Underwriter as set forth in this Article XV, the Closing Date shall be postponed for such period, not exceeding five (5) business days, as the Representatives and the Company shall determine in order that the required changes in the Registration Statement, the Disclosure Package, the Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company and any non-defaulting Underwriter for damages caused by its default hereunder.

XVI.

If this Agreement shall be terminated by the Underwriters or any of them, because of any failure or refusal on the part of the Company to comply with the terms or to fulfill any of the conditions of this Agreement, or if for any reason the Company shall be unable to perform its obligations under this Agreement (other than by reason of a default by any of the Underwriters), the Company will reimburse the Underwriters or such Underwriters as have so terminated this Agreement with respect to themselves, severally, for all reasonable out-of-pocket expenses (including the reasonable fees and disbursements of their counsel) reasonably incurred by such Underwriters in connection with the Securities.

Notwithstanding anything to the contrary contained in this Agreement, unless this Agreement has been validly terminated pursuant to the immediately preceding paragraph or pursuant to Article XI, the Representatives shall reimburse the Company for all of the Company's reasonable outside counsel fees, disbursements and expenses incurred in connection with the offering.

XVII.

This Agreement shall be governed by and construed in accordance with the laws of the State of New York. Each party to this Agreement irrevocably agrees that any legal action or proceeding against it arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered against it in connection with this Agreement may be brought in any Federal or New York State court sitting in the Borough of Manhattan, and, by execution and delivery of this Agreement, such party hereby irrevocably accepts and submits to the jurisdiction of each of the aforesaid courts in personam, generally and unconditionally with respect to any such action or proceeding for itself and in respect of its property, assets and revenues. Each party hereby also irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of any such action or proceeding brought in any such court and any claim that any such action or proceeding has been brought in an inconvenient forum. The Company and each of the Underwriters hereby irrevocably waive, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

XVIII.

Any action by the Underwriters hereunder may be taken by the Representatives on behalf of the Underwriters (and their respective affiliates), and any such action taken by the Representatives shall be binding upon the Underwriters (and their respective affiliates).

XIX.

This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

XX.

In accordance with the requirements of the USA PATRIOT Act (Title III of Pub. L., 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their clients, which may include the name and address of their clients, as well as other information that will allow the Underwriters to properly identify their clients.

Very truly yours,

Ladies and Gentlemen:

I am issuing this letter in my capacity as an Attorney on the Legal Staff of General Motors Company, a Delaware corporation (the "**Company**"), in response to the requirements of Article V, paragraph (d) of the Underwriting Agreement, dated February 18, 2016 (the "**Underwriting Agreement**"), by and among the Company and the several underwriters named in Schedule I thereto (collectively, the "**Underwriters**"), for whom Goldman, Sachs & Co., Merrill Lynch, Pierce, Fenner & Smith Incorporated and Citigroup Global Markets Inc. are acting as representatives (the "**Representatives**"). The Underwriting Agreement relates to the offering (the "**Offering**") of \$1,250,000,000 aggregate principal amount of the Company's 6.600% Senior

Notes due 2036 and \$750,000,000 aggregate principal amount of the Company's 6.750% Senior Notes due 2046 (collectively, the "**Securities**") to be issued pursuant to the provisions of an Indenture, dated as of September 27, 2013, and a Third Supplemental Indenture, dated as of the date hereof (collectively, the "**Indenture**") between the Company and The Bank of New York Mellon, as trustee (the "**Trustee**"). Every capitalized term which is defined or given a special meaning in the Underwriting Agreement and which is not given a different meaning in this letter has the same meaning whenever it is used in this letter as the meaning it is given in the Underwriting Agreement.

In connection with the preparation of this letter, I have among other things read:

- (a) the Registration Statement on Form S-3 (Registration No. 333-195601), filed by the Company with the Securities and Exchange Commission (the "**Commission**") under the Securities Act of 1933, as amended (the "**Securities Act**") (which registration statement, at the date of the Underwriting Agreement, including the documents incorporated by reference therein and the information deemed to be part of the registration statement at the time of effectiveness pursuant to Rule 430A or Rule 430B under the Securities Act, is herein called the "**Registration Statement**");
- (b) the prospectus (including the documents incorporated by reference therein) of the Company dated April 30, 2014 (the "**Base Prospectus**");
- (c) the preliminary prospectus supplement of the Company dated February 18, 2016 relating to the Offering (including the documents incorporated by reference therein), together with the Base Prospectus that it supplements and the Permitted Free Writing Prospectus listed on Schedule II to the Underwriting Agreement (collectively, the "**Disclosure Package**");
- (d) the Base Prospectus, as supplemented by the prospectus supplement of the Company dated February 18, 2016 relating to the Offering (including the documents incorporated by reference therein), in the form first used to confirm sales of the Securities (or in the form first made available to the Underwriters by the Company to meet requests of purchasers of the Securities under Rule 173 of the Securities Act) (the "**Prospectus**");
- (e) an executed copy of the Indenture;
- (f) an executed copy of the Underwriting Agreement;
- (g) a specimen of the Securities;
- (h) a copy of the resolutions of the Board of Directors of the Company (the "**Board**") adopted on August 20, 2013, approving (among other things) the filing of the Registration Statement;

- (i) a copy of the resolutions of the Board adopted on December 7-8, 2015, approving (among other things) the creation of a special committee of the Board (the "**Pricing Committee**") having all of the power and authority of the Board in connection with any offering or offerings or issuance or issuances of securities;
- (j) a copy of the resolutions of the Pricing Committee of the Board adopted on February 18, 2016, approving (among other things) the issuance and sale of the Securities;
- (k) a copy of the Restated Certificate of Incorporation of the Company, certified as of February 16, 2016 by the Secretary of State of the State of Delaware;
- (l) a copy of the Amended and Restated By-Laws of the Company;
- (m) copies of the documents filed pursuant to the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"), and incorporated by reference in the documents referred to in paragraphs (a) through (d), inclusive, above (the "**Incorporated Documents**"); and
- (n) a Certificate of Good Standing of the Company, dated February , 2016, issued by the Secretary of State of the State of Delaware (the "**Certificate of Good Standing**"); and
- (o) copies of all certificates and other documents delivered today in connection with the consummation of the Offering.

In addition, I have examined and relied on the originals or copies certified or otherwise identified to my satisfaction of all such corporate records of the Company and such other instruments and certificates of public officials, officers and representatives of the Company and such other persons, and I have made such investigations of law as I have deemed appropriate as a basis for the opinions expressed below. I have assumed that there has been no relevant change or development between the dates as of which the information cited in the preceding sentence was given and the date of this letter and that the information upon which I have relied is accurate and does not omit disclosures necessary to prevent such information from being misleading.

I have assumed the conformity of the documents filed with the Commission via the Electronic Data Gathering, Analysis and Retrieval System ("**EDGAR**"), except for required EDGAR formatting changes, to physical copies of the documents delivered to the Underwriters and submitted for my examination.

Based upon the foregoing and such other information and documents as I have considered necessary for the purposes hereof, I am of the opinion that:

1. The statements under the caption "Legal Proceedings" in the Company's Annual Report on Form 10-K for the year ended December 31, 2015, in each case insofar as such statements constitute summaries of the legal matters, documents or

proceedings referred to therein, fairly present in all material respects the information called for with respect to such legal matters, documents and proceedings.

2. To my knowledge, other than as set forth or contemplated in the Registration Statement, the Disclosure Package and the Prospectus, neither the Company nor any of its subsidiaries is a party to, nor is any of its or their property the subject of, any pending or threatened action or proceeding before any court or brought by any governmental agency or body that, individually or in the aggregate, would reasonably be expected to have a material adverse effect on the Company and its subsidiaries taken as a whole, or that would reasonably be expected to materially and adversely affect the issuance of the Securities by the Company as contemplated by the Underwriting Agreement.

In addition to the qualifications set forth above, the opinions and other matters in this letter are qualified in their entirety and subject to the following:

A. Except as set forth in paragraph (1) above, I make no representation that I have independently verified the accuracy, completeness or fairness of the statements contained in the Registration Statement, the Disclosure Package or the Prospectus or that the actions taken in connection with the preparation of the Registration Statement, the Disclosure Package or the Prospectus were sufficient to cause the Registration Statement, the Disclosure Package or the Prospectus to be accurate, complete or fair (including the actions described in the next paragraph).

B. I have assumed for purposes of this letter the following: each document I have reviewed for purposes of this letter is accurate and complete, each such document that is an original is authentic, each such document that is a copy conforms to an authentic original and all signatures on each such document are genuine; that the Underwriting Agreement, the Indenture and every other agreement I have examined for purposes of this letter constitutes a valid and binding obligation of each party to that document and that each such party has satisfied all legal requirements that are applicable to such party to the extent necessary to entitle such party to enforce such agreement (except that I make no such assumption with respect to the Company); and that you have acted in good faith and without notice of any fact which has caused you to reach any conclusion contrary to any of the advice provided in this letter.

C. In preparing this letter I have relied without independent verification upon: (i) factual information represented to be true in the Underwriting Agreement and other documents specifically identified at the beginning of this letter as having been read by me; (ii) factual information provided to me by the other representatives of the Company; and (iii) factual information I have obtained from such other sources as I have deemed reasonable. I have assumed that the information upon which I have relied is accurate and does not omit disclosures necessary to prevent such information from being misleading. I have not undertaken any investigation or search of court records for purposes of this letter.

D. I confirm that I do not have knowledge that has caused me to conclude that my reliance and assumptions cited in the two immediately preceding paragraphs are unwarranted. Whenever this letter provides advice about (or based upon) my knowledge of any particular information or about any information which has or has not come to my attention such advice is based entirely on my conscious awareness at the time this letter is delivered on the date it bears.

E. I am a member of the Bar of the State of Michigan, and I express no opinion as to the laws of any other jurisdiction, other than the law of the State of Michigan.

F. My advice on each legal issue addressed in this letter represents my opinion as to how that issue would be resolved were it to be considered by the highest court of the jurisdiction upon whose law my opinion on that issue is based. The manner in which any particular issue would be treated in any actual court case would depend in part on facts and circumstances particular to the case, and this letter is not intended to guarantee the outcome of any legal dispute which may arise in the future.

This letter speaks as of the time of its delivery on the date it bears. I do not assume any obligation to provide you with any subsequent opinion or advice by reason of any fact about which I did not have knowledge at that time, by reason of any change subsequent to that time in any law, other governmental requirement or interpretation thereof covered by any of my opinions or advice, or for any other reason.

This letter may be relied upon by you only for the purpose served by the provision in the Underwriting Agreement cited in the initial paragraph of this letter in response to which it has been delivered. Without my written consent: (i) no person other than you may rely on this letter for any purpose; (ii) this letter may not be cited or quoted in any financial statement, prospectus, private placement memorandum or other similar document; (iii) this letter may not be cited or quoted in any other document or communication which might encourage reliance upon this letter by any person or for any purpose excluded by the restrictions in this paragraph; and (iv) copies of this letter may not be furnished to anyone for purposes of encouraging such reliance.

Very truly yours,

\$1,250,000,000 6.600% Senior Notes due 2036
\$750,000,000 6.750% Senior Notes due 2046

Ladies and Gentlemen:

I am issuing this letter in my capacity as an Attorney on the Legal Staff of General Motors Company, a Delaware corporation (the "**Company**"), in response to the requirements of Article V, paragraph (d) of the Underwriting Agreement, dated February 18, 2016 (the "**Underwriting Agreement**"), by and among the Company and the several underwriters named in Schedule I thereto (collectively, the "**Underwriters**"), for whom Goldman, Sachs & Co., Merrill Lynch, Pierce, Fenner & Smith Incorporated and Citigroup Global Markets Inc. are acting as representatives (the "**Representatives**"). The Underwriting Agreement relates to the offering (the "**Offering**") of \$1,250,000,000 aggregate principal amount of the Company's 6.600% Senior Notes due 2036 and \$750,000,000 aggregate principal amount of the Company's 6.750% Senior

A-2-1

Notes due 2046 (collectively, the “**Securities**”) to be issued pursuant to the provisions of an Indenture, dated as of September 27, 2013, and a Third Supplemental Indenture, dated as of the date hereof (collectively, the “**Indenture**”), between the Company and The Bank of New York Mellon, as trustee (the “**Trustee**”). Every capitalized term which is defined or given a special meaning in the Underwriting Agreement and which is not given a different meaning in this letter has the same meaning whenever it is used in this letter as the meaning it is given in the Underwriting Agreement.

The Securities have been offered pursuant to the Prospectus, dated April 30, 2014 (the “**Base Prospectus**”), as supplemented by a Prospectus Supplement dated February 18, 2016 (including the documents incorporated by reference therein, the “**Prospectus Supplement**” and, together with the Base Prospectus, the “**Prospectus**”), and the Permitted Free Writing Prospectus listed on Schedule II to the Underwriting Agreement (together with the Prospectus, the “**Disclosure Package**”).

In acting as an Attorney on the Legal Staff of the Company in connection with the transactions described in the first paragraph above, I have participated in various conference calls with officers of the Company and its affiliates, as well as with representatives of the Underwriters and their counsel, at which the contents of the Registration Statement on Form S-3 (Registration No. 333-195601), as filed with the Securities and Exchange Commission (the “**Commission**”) on April 30, 2014, which became automatically effective upon filing with the Commission (at the time it became effective, the “**Registration Statement**”), the Prospectus and the Disclosure Package were discussed and reviewed. Because of the inherent limitations in the independent verification of factual matters, and the character of determinations involved in the preparation of disclosure documents, I am not passing upon or assuming responsibility for the accuracy, completeness or fairness of the statements included or incorporated by reference in or omitted from the Registration Statement, the Prospectus, or the Disclosure Package and have made no independent check or verification thereof (except as set forth in paragraphs 1 and 2 of my opinion letter to you of even date herewith). However, subject to and on the basis of the foregoing, I advise you that nothing has come to my attention in the course of such discussions and reviews that has caused me to believe that:

- (a) the Registration Statement, as of the Effective Time (defined below), contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein not misleading;
- (b) the Disclosure Package, as of the Initial Sale Time, when considered together with the price, the underwriting allocation and discount and other pricing information (collectively, the “**Pricing Information**”), contained any untrue statement of a material fact or omitted to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; or

- (c) the Prospectus, as of the date of the Prospectus Supplement and as of the date hereof, contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

except that, in each case, I express no view or belief and make no statement with respect to (i) the financial statements and schedules and notes thereto or other financial, numerical, accounting or quantitative information (or the assumptions with respect thereto) included in or incorporated by reference in the Registration Statement or the exhibits thereto, the Disclosure Package or the Prospectus; and (ii) the Indenture Trustee's statement of eligibility on Form T-1.

In addition, I have made no inquiry into the delivery of any documents to any investor, and have further assumed that the Pricing Information was conveyed to investors at or prior to the Initial Sale Time. Finally, whenever this letter provides advice about (or based upon) my knowledge of any particular information or about any information which has or has not come to my attention such advice is based entirely on my conscious awareness at the time this letter is delivered on the date it bears.

As used herein, "**Effective Time**" means the time of effectiveness of the Registration Statement for purposes of Section 11 of the Securities Act, as such section applies to the Underwriters.

This letter speaks as of the time of its delivery on the date it bears. I do not assume any obligation to provide you with any subsequent advice by reason of any fact about which I did not have knowledge at that time, by reason of any change subsequent to that time in any law, other governmental requirement or interpretation thereof covered by any of my advice, or for any other reason.

This letter may be relied upon by you only for the purpose served by the provision in the Underwriting Agreement cited in the initial paragraph of this letter in response to which it has been delivered. Without my written consent: (i) no person other than you may rely on this letter for any purpose; (ii) this letter may not be cited or quoted in any financial statement, prospectus, private placement memorandum or other similar document; (iii) this letter may not be cited or quoted in any other document or communication which might encourage reliance upon this letter by any person or for any purpose excluded by the restrictions in this paragraph; and (iv) copies of this letter may not be furnished to anyone for purposes of encouraging such reliance.

Very truly yours,

Subject to the assumptions, qualifications and limitations which are identified in this letter, we advise you that:

1. The Company is validly existing and in good standing under the laws of the State of Delaware, with the corporate power and authority to own its properties and to conduct its business as described in the Prospectus.
2. The Indenture has been duly authorized by all necessary corporate action, has been duly executed and delivered by the Company and constitutes a valid, legal and binding agreement of the Company, enforceable against the Company under New York law in accordance with its terms.
3. The Underwriting Agreement has been duly authorized, executed and delivered by the Company.
4. The Securities have been duly authorized by the Company and, when executed, authenticated and issued in accordance with the provisions of the Indenture and

delivered to and paid for by the Underwriters in accordance with the terms of the Underwriting Agreement, will be valid and binding obligations of the Company, enforceable in accordance with their terms.

5. No authorization, consent or approval of, or registration or filing with, any governmental or public body or regulatory authority is required on the part of the Company for the sale of the Securities by the Company in accordance with the Underwriting Agreement or the performance by the Company of its obligations under the Underwriting Agreement, the Indenture or the Securities, other than (i) the registration of the Securities under the Securities Act, (ii) the qualification of the Indenture under the Trust Indenture Act, (iii) compliance with any laws of any foreign jurisdiction or Blue Sky Laws (defined below), (iv) those required by the rules and regulations of the Financial Industry Regulatory Authority, Inc. (“*FINRA*”) and (v) those that have already been obtained.
6. The sale of the Securities by the Company pursuant to the Underwriting Agreement and the Disclosure Package and the execution and delivery by the Company of, and the performance by the Company of its obligations under, the Underwriting Agreement, the Indenture and the Securities do not and will not contravene any provision of applicable law (assuming compliance with all applicable Blue Sky Laws and, in the case of the Underwriting Agreement, the Securities Act and, in the case of the Indenture, the Trust Indenture Act, and the rules and regulations of *FINRA*) or result in any violation by the Company of any of the terms or provisions of the Certificate of Incorporation or the Bylaws or of any Material Agreement, by which the Company is bound (except that we express no opinion as to compliance with any financial tests or cross-default provision in any such agreement).
7. The Registration Statement is effective under the Securities Act and, to our knowledge, based on a review of the Stop Orders page of the Commission’s website (<http://www.sec.gov/litigation/stoporders.shtml>), no stop order suspending the effectiveness of the Registration Statement has been issued under the Securities Act or proceedings therefor initiated or threatened by the Commission.
8. The Company is not, and after giving effect to the offering and sale of the Securities and the application of the proceeds thereof as described in the Prospectus will not be, required to register as an “investment company” as such term is defined in the Investment Company Act of 1940, as amended.
9. The statements under the captions “Description of Debt Securities” and “Description of the Notes” in the Registration Statement, the Disclosure Package and the Prospectus, in each case insofar as such statements constitute summaries of the legal matters, documents or proceedings referred to therein, fairly present in all material respects the information set forth therein with respect to such legal

matters, documents and proceedings.

10. The statements in each of the Registration Statement, the Disclosure Package and the Prospectus under the caption "Certain U.S. Federal Tax Considerations," insofar as such statements constitute a summary of the United States federal tax laws referred to therein, are accurate and fairly summarize in all material respects the United States federal tax laws referred to therein.

In addition to the qualifications set forth above, the opinions and other matters in this letter are qualified in their entirety and subject to the following:

A. We have assumed for purposes of this letter: each document we have reviewed for purposes of this letter is accurate and complete, each such document that is an original is authentic, each such document that is a copy conforms to an authentic original, and all signatures on each such document are genuine; that the Underwriting Agreement, the Indenture and every other agreement we have examined for purposes of this letter constitutes a valid and binding obligation of each party to that document and that each such party has satisfied all legal requirements that are applicable to such party to the extent necessary to entitle such party to enforce such agreement (except that we make no such assumption with respect to the Company); and that you have acted in good faith and without notice of any fact which has caused you to reach any conclusion contrary to any of the advice provided in this letter.

B. In preparing this letter we have relied without independent verification upon: (i) information contained in certificates obtained from governmental authorities; (ii) factual information represented to be true in the Underwriting Agreement, in the other documents specifically identified at the beginning of this letter as having been read by us and in the certificates and other documents executed by the Company and delivered to you in connection with the consummation of the Offering; (iii) factual information provided to us by the Company or its representatives; and (iv) factual information we have obtained from such other sources as we have deemed reasonable. We have assumed that there has been no relevant change or development between the dates as of which the information cited in the preceding sentence was given and the date of this letter and that the information upon which we have relied is accurate and does not omit disclosures necessary to prevent such information from being misleading.

C. Whenever this letter provides advice about (or based upon) our knowledge of any particular information or about any information which has or has not come to our attention such advice is based entirely on the conscious awareness at the time this letter is delivered on the date it bears by the lawyers with Hunton & Williams LLP at that time who spent substantial time representing the Company in connection with the Offering after consultation with such other attorneys as they deem appropriate.

D. Our advice on every legal issue addressed in this letter is based exclusively on the internal law of New York, the General Corporation Law of the State of Delaware or the federal law of the United States, and represents our opinion as to how that issue would be resolved were it to be considered by the highest court in the jurisdiction that enacted such law. None of the opinions or other advice contained in this letter considers or covers: (i) any foreign or state

securities laws or regulations (“*Blue Sky Laws*”); (ii) any financial statements or schedules, the notes related thereto, or other financial or accounting data derived therefrom, set forth in (or omitted from) the Registration Statement, the Disclosure Package, the Prospectus or any Incorporated Document; (iii) any rules and regulations of the Financial Industry Regulatory Authority, Inc. relating to the compensation of the Underwriters; (iv) compliance with fiduciary duty requirements; (v) the rules and regulations of the New York Stock Exchange, Inc.; (vi) the Form T-1 filed as an exhibit to the Registration Statement; (vii) any law or regulation relating to foreign, federal (except as provided in paragraph 10 above), state or local taxation, foreign, federal or state environmental regulation, local laws, labor laws, the USA PATRIOT Act of 2001, as amended, intellectual property laws, antitrust laws or those relating to zoning, land use or subdivision laws, ERISA and similar matters or (viii) the effect of the law of any jurisdiction (other than the State of New York) that limits the rate(s) of interest that may be charged or collected. No opinion is expressed as to the effect the laws of any other jurisdiction might have upon the subject matter of any of the opinions expressed herein under conflict of law principles or otherwise. This letter does not cover any other laws, statutes, governmental rules or regulations or decisions which in our experience are not usually considered for or covered by opinions like those contained in this letter or are not generally applicable to transactions of the kind covered by the Underwriting Agreement.

E. Our opinions herein regarding the enforceability or effect of the Opinion Documents are qualified by (i) bankruptcy, insolvency, reorganization, arrangement, moratorium and other laws relating to or affecting the rights of creditors generally, including without limitation fraudulent conveyance or transfer laws, and preference and equitable subordination laws and principles; (ii) general principles of equity (whether considered in a proceeding at law or in equity); and (iii) concepts of materiality, unconscionability, reasonableness, impracticability or impossibility of performance, good faith and fair dealing.

F. In addition, we express no opinion regarding (i) the submission of jurisdiction to the extent it relates to the subject matter jurisdiction of any court, (ii) the enforceability of any waiver of a trial by jury or waiver of objection to venue or claim of an inconvenient forum with respect to proceedings, (iii) the waiver of any right to have service of process made in the manner prescribed by applicable law, (iv) the appointment of any person as attorney in fact insofar as exercise of such power of attorney may be limited by public policy or limitations referred to elsewhere in this opinion, (v) the enforceability, or compliance with applicable law, regulation or ruling, of indemnification or contribution provisions in the Underwriting Agreement, the Indenture or the Securities, (vi) the ability of any person to receive the remedies of specific performance, injunctive relief, liquidated damages or any similar remedy in any proceeding, (vii) any right to the appointment of a receiver, (viii) any right to obtain possession of any property or the exercise of self-help remedies or other remedies without judicial process, (ix) any waiver or limitation concerning mitigation of damages, (x) the availability of the right of rescission, (xi) the enforceability of any right to receive interest on interest, (xii) any provision that requires the payment of liquidated or punitive damages, prepayment penalties or premiums, late fees or default rates of interest to the extent that they are found to constitute unenforceable penalties or forfeitures, (xiii) any provision that excludes money damages as a remedy, if injunctive relief is not available under applicable law, or that permits a party to pursue multiple

remedies or that provides that all remedies are cumulative or nonexclusive, or that violates laws relating to claim splitting or collateral estoppel, (xiv) any provision requiring the payment or reimbursement of attorneys' fees other than "reasonable" attorneys' fees under the circumstances for which payment or reimbursement is sought, (xv) any provision in any document regarding severability, (xviii) any provision that would alter the terms or rights and obligations of the parties based on course of dealing, course of performance or the like, or that provides that failure or delay in taking action may not constitute a waiver of rights or (xvi) any provision that requires that amendments or waivers be made in writing.

G. In rendering the opinions set forth in paragraph 1 above with respect to the existence and good standing of the Company, we have relied solely on the Certificate of Good Standing. Such opinion is limited to the meaning ascribed to such certificate by such state agency and applicable law.

This letter speaks as of the time of its delivery on the date it bears. We do not assume any obligation to provide you with any subsequent opinion or advice by reason of any fact about which we did not have knowledge at that time, by reason of any change subsequent to that time in any law, other governmental requirement or interpretation thereof covered by any of our opinions or advice, or for any other reason.

This letter may be relied upon by you only for the purpose served by the provision in the Underwriting Agreement cited in the initial paragraph of this letter in response to which it has been delivered. Without our written consent: (i) no person other than you may rely on this letter for any purpose; (ii) this letter may not be cited or quoted in any financial statement, prospectus, private placement memorandum or other similar document; (iii) this letter may not be cited or quoted in any other document or communication which might encourage reliance upon this letter by any person or for any purpose excluded by the restrictions in this paragraph; and (iv) copies of this letter may not be furnished to anyone for purposes of encouraging such reliance.

General Motors Company
\$1,250,000,000 6.600% Senior Notes due 2036
\$750,000,000 6.750% Senior Notes due 2046

Ladies and Gentlemen:

We are issuing this letter in our capacity as special counsel for General Motors Company, a Delaware corporation (the "**Company**"), in response to the requirements of Article V, paragraph (e) of the Underwriting Agreement, dated February 18, 2016 (the "**Underwriting Agreement**"), by and among the Company and the several underwriters named in Schedule I thereto (collectively, the "**Underwriters**"), for whom Goldman, Sachs & Co., Merrill Lynch, Pierce, Fenner & Smith Incorporated and Citigroup Global Markets Inc. are acting as representatives (the "**Representatives**"). The Underwriting Agreement relates to the offering (the "**Offering**") of \$1,250,000,000 aggregate principal amount of the Company's 6.600% Senior Notes due 2036 and \$750,000,000 aggregate principal amount of the Company's 6.750% Senior Notes due 2046 (collectively, the "**Securities**") to be issued pursuant to the provisions of an Indenture, dated as of September 27, 2013, and a Third Supplemental Indenture, dated as of the date hereof (collectively, the "**Indenture**"), between the Company and The Bank of New York

Mellon, as trustee (the “**Trustee**”). Every capitalized term which is defined or given a special meaning in the Underwriting Agreement and which is not given a different meaning in this letter has the same meaning whenever it is used in this letter as the meaning it is given in the Underwriting Agreement.

The Securities have been offered pursuant to the Prospectus, dated April 30, 2014 (the “**Base Prospectus**”), as supplemented by a Prospectus Supplement dated February 18, 2016 (including the documents incorporated by reference therein, the “**Prospectus Supplement**” and, together with the Base Prospectus, the “**Prospectus**”), and the Permitted Free Writing Prospectus listed on Schedule II to the Underwriting Agreement (together with the Prospectus, the “**Disclosure Package**”).

In acting as special counsel to the Company in connection with the transactions described in the first paragraph above, we have participated in various conference calls with officers of the Company and its affiliates, as well as with representatives of the Underwriters and their counsel, at which the contents of the Registration Statement on Form S-3 (Registration No. 333-195601), as filed with the Securities and Exchange Commission (the “**Commission**”) on April 30, 2014, which became automatically effective upon filing with the Commission (at the time it became effective, the “**Registration Statement**”), the Prospectus and the Disclosure Package were discussed and reviewed. Because of the inherent limitations in the independent verification of factual matters, and the character of determinations involved in the preparation of disclosure documents, we are not passing upon or assuming responsibility for the accuracy, completeness or fairness of the statements included or incorporated by reference in or omitted from the Registration Statement, the Prospectus, or the Disclosure Package and have made no independent check or verification thereof (except as set forth in paragraphs 9 and 10 of our opinion letter to you of even date herewith). Furthermore, while we have served as special counsel to the Company in the Offering, this firm does not represent the Company in all aspects of its legal affairs. The Company and certain of its subsidiaries have internal legal departments and, in addition, regularly employ outside counsel other than this firm to advise them in connection with legal matters. Hence, there may exist matters that could have a bearing on the affairs of the Company with respect to which we have not been consulted. However, subject to and on the basis of the foregoing, we advise you that nothing has come to our attention in the course of such discussions and reviews that has caused us to believe that:

- (a) the Registration Statement, as of the Effective Time (defined below), contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein not misleading;
- (b) the Disclosure Package, as of the Initial Sale Time, when considered together with the price, the underwriting allocation and discount and other pricing information (collectively, the “**Pricing Information**”), contained any untrue statement of a material fact or omitted to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; or

- (c) the Prospectus, as of the date of the Prospectus Supplement and as of the date hereof, contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

except that, in each case, we express no view or belief and make no statement with respect to (i) the financial statements and schedules and notes thereto or other financial, numerical, accounting or quantitative information (or the assumptions with respect thereto) included in or incorporated by reference in the Registration Statement or the exhibits thereto, the Disclosure Package or the Prospectus; and (ii) the Indenture Trustee's statement of eligibility on Form T-1.

Subject to the foregoing, we further advise you that the Registration Statement, as of the Effective Time, and the Prospectus, as of the date of the Prospectus Supplement, each appears on its face to be appropriately responsive, in all material respects, to the requirements of the Securities Act of 1933, as amended (the "**Securities Act**") and the Securities Exchange Act of 1934, as amended and the rules and regulations promulgated thereunder.

In addition, we have made no inquiry into the delivery of any documents to any investor, and have further assumed that the Pricing Information was conveyed to investors at or prior to the Initial Sale Time. Finally, the advice provided herein is limited to those attorneys of this firm involved in the representation of the Company in connection with the transactions referenced herein.

As used herein, "**Effective Time**" means the time of effectiveness of the Registration Statement for purposes of Section 11 of the Securities Act, as such section applies to the Underwriters.

This letter speaks as of the time of its delivery on the date it bears. We do not assume any obligation to provide you with any subsequent advice by reason of any fact about which we did not have knowledge at that time, by reason of any change subsequent to that time in any law, other governmental requirement or interpretation thereof covered by any of our advice, or for any other reason.

This letter may be relied upon by you only for the purpose served by the provision in the Underwriting Agreement cited in the initial paragraph of this letter in response to which it has been delivered. Ladies and Gentlemen:

We have acted as counsel for you and the other several Underwriters named in Schedule I to the Underwriting Agreement dated February 18, 2016 (the “**Underwriting Agreement**”) with General Motors Company, a Delaware corporation (the “**Company**”), under which you and such other Underwriters have severally agreed to purchase from the Company \$1,250,000,000 aggregate principal amount of its 6.600% Senior Notes due 2036 (the “**2036 Notes**”) and \$750,000,000 aggregate principal amount of its 6.750% Senior Notes due 2046 (the “**2046 Notes**”) and, together with the 2036 Notes, the “**Securities**”). The Securities are to be issued pursuant to the provisions of the Indenture dated as of September 27, 2013 (the “**Base Indenture**”) between the Company and The Bank of New York Mellon, as trustee (the “**Trustee**”), as amended and supplemented by the supplemental indenture to be dated as of February 23, 2016 (the “**Third Supplemental Indenture**”) and, together with the Base Indenture, the “**Indenture**”) between the Company and the Trustee.

We have examined originals or copies of such documents, corporate records, certificates of public officials and other instruments as we have deemed necessary or advisable for the purpose of rendering this opinion.

We have also reviewed the Company’s registration statement on Form S-3 (File No. 333-195601) (including the documents incorporated by reference therein (the “**Incorporated**”

Documents”)) filed with the Securities and Exchange Commission (the “**Commission**”) pursuant to the provisions of the Securities Act of 1933, as amended (the “**Act**”), relating to the registration of securities (the “**Shelf Securities**”) to be issued from time to time by the Company and have participated in the preparation of the preliminary prospectus supplement dated February 18, 2016 relating to the Securities, the free writing prospectus set forth in Schedule II to the Underwriting Agreement relating to the Securities and the prospectus supplement dated February 18, 2016 relating to the Securities (the “**Prospectus Supplement**”). The registration statement became effective under the Act and the Indenture qualified under the Trust Indenture Act of 1939, as amended, upon the filing of the registration statement with the Commission on April 30, 2014 pursuant to Rule 462(e). The registration statement at the date of the Underwriting Agreement, including the Incorporated Documents and the information deemed to be part of the registration statement at the time of effectiveness pursuant to Rule 430B under the Act, is hereinafter referred to as the “**Registration Statement**,” and the related prospectus (including the Incorporated Documents) dated April 30, 2014 relating to the Shelf Securities is hereinafter referred to as the “**Basic Prospectus**.” The Basic Prospectus, as supplemented by the Prospectus Supplement, in the form first used to confirm sales of the Securities (or in the form first made available by the Company to the Underwriters to meet requests of purchasers of the Securities under Rule 173 under the Act), is hereinafter referred to as the “**Prospectus**.”

In rendering the opinions expressed herein, we have, without independent inquiry or investigation, assumed that (i) all documents submitted to us as originals are authentic and complete, (ii) all documents submitted to us as copies conform to authentic, complete originals, (iii) all documents filed with or submitted to the Commission through its Electronic Data Gathering, Analysis and Retrieval (“**EDGAR**”) system (except for required EDGAR formatting changes) conform to the versions of such documents reviewed by us prior to such formatting, (iv) all signatures on all documents that we reviewed are genuine, (v) all natural persons executing documents had and have the legal capacity to do so, (vi) all statements in certificates of public officials and officers of the Company that we reviewed were and are accurate and (vii) all representations made by the Company as to matters of fact in the documents that we reviewed were and are accurate.

Based upon the foregoing, and subject to the additional assumptions and qualifications set forth below, we are of the opinion that:

1. The Indenture has been duly authorized, executed and delivered by the Company and is a valid and binding agreement of the Company, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors’ rights generally, concepts of reasonableness and equitable principles of general applicability, provided that we express no opinion as to the (w) enforceability of any waiver of rights under any usury or stay law, (x) effect of fraudulent conveyance, fraudulent transfer or similar provision of applicable law on the conclusions expressed above or (z) the validity, legally binding effect or enforceability of any provision that permits holders to collect any portion of stated principal amount upon acceleration of the Securities to the extent determined to constitute unearned interest.
2. The Securities have been duly authorized and, when executed and authenticated in accordance with the provisions of the Indenture and delivered to and paid for by the

Underwriters pursuant to the Underwriting Agreement, will be valid and binding obligations of the Company, enforceable in accordance with their terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, concepts of reasonableness and equitable principles of general applicability, and will be entitled to the benefits of the Indenture pursuant to which such Securities are to be issued, provided that we express no opinion as to the (w) enforceability of any waiver of rights under any usury or stay law, (x) effect of fraudulent conveyance, fraudulent transfer or similar provision of applicable law on the conclusions expressed above or (z) validity, legally binding effect or enforceability of any provision that permits holders to collect any portion of stated principal amount upon acceleration of the Securities to the extent determined to constitute unearned interest.

3. The Underwriting Agreement has been duly authorized, executed and delivered by the Company.

We have considered the statements included in the Prospectus under the captions "Description of Debt Securities," "Description of the Notes" and "Underwriting" insofar as they summarize provisions of the Indenture, the Securities and the Underwriting Agreement. In our opinion, such statements fairly summarize these provisions in all material respects.

In rendering the opinions in paragraphs (1) through (3) above, we have assumed that each party to the Indenture, the Underwriting Agreement and the Securities (the "**Documents**") has been duly incorporated and is validly existing and in good standing under the laws of the jurisdiction of its organization. In addition, we have assumed that (i) the execution, delivery and performance by each party thereto of each Document to which it is a party, (a) are within its corporate powers, (b) do not contravene, or constitute a default under, the certificate of incorporation or bylaws or other constitutive documents of such party, (c) require no action by or in respect of, or filing with, any governmental body, agency or official and (d) do not contravene, or constitute a default under, any provision of applicable law or regulation or any judgment, injunction, order or decree or any agreement or other instrument binding upon such party, provided that we make no such assumption to the extent that we have specifically opined as to such matters with respect to the Company, and (ii) each Document (other than the Underwriting Agreement) is a valid, binding and enforceable agreement of each party thereto (other than as expressly covered above in respect of the Company).

We express no opinion as to whether a New York State or United States federal court would enforce the exclusivity of the jurisdiction of any New York State or United States federal court provided for in any Document.

We are members of the Bar of the State of New York, and the foregoing opinion is limited to the laws of the State of New York, the federal laws of the United States of America and the General Corporation Law of the State of Delaware, except that we express no opinion as to any law, rule or regulation that is applicable to the Company, the Documents or such transactions solely because such law, rule or regulation is part of a regulatory regime applicable to any party to any of the Documents or any of its affiliates due to the specific assets or business of such party or such affiliate.

This opinion is rendered solely to you and the other several Underwriters in connection with the Underwriting Agreement. This opinion may not be relied upon by you or the other several Underwriters for any other purpose or relied upon by any other person (including any person acquiring Securities from the several Underwriters) or furnished to any other person without our prior written consent.

Very truly yours,

Davis Polk & Wardwell LLP

Ladies and Gentlemen:

We have acted as counsel for you and the other several Underwriters named in Schedule I to the Underwriting Agreement dated February 18, 2016 (the “**Underwriting Agreement**”) with General Motors Company, a Delaware corporation (the “**Company**”), under which you and such other Underwriters have severally agreed to purchase from the Company \$1,250,000,000 aggregate principal amount of its 6.600% Senior Notes due 2036 (the “**2036 Notes**”) and \$750,000,000 aggregate principal amount of its 6.750% Senior Notes due 2046 (the “**2046 Notes**”) and, together with the 2036 Notes, the “**Securities**”).

We have reviewed the Company’s registration statement on Form S-3 (File No. 333-195601) (including the documents incorporated by reference therein (the “**Incorporated Documents**”)) filed with the Securities and Exchange Commission (the “**Commission**”) pursuant to the provisions of the Securities Act of 1933, as amended (the “**Act**”), relating to the registration of securities (the “**Shelf Securities**”) to be issued from time to time by the Company and have participated in the preparation of the preliminary prospectus supplement dated February 18, 2016 (the “**Preliminary Prospectus Supplement**”) relating to the Securities, the free writing prospectus set forth in Schedule II to the Underwriting Agreement relating to the Securities and the prospectus supplement dated February 18, 2016 relating to the Securities (the “**Prospectus**”).

Supplement). The registration statement at the date of the Underwriting Agreement, including the Incorporated Documents and the information deemed to be part of the registration statement at the time of effectiveness pursuant to Rule 430B under the Act, is hereinafter referred to as the **“Registration Statement,”** and the related prospectus (including the Incorporated Documents) dated April 30, 2014 relating to the Shelf Securities is hereinafter referred to as the **“Basic Prospectus.”** The Basic Prospectus, as supplemented by the Preliminary Prospectus Supplement, together with the free writing prospectus set forth in Schedule II to the Underwriting Agreement for the Securities are hereinafter referred to as the **“Disclosure Package.”** The Basic Prospectus, as supplemented by the Prospectus Supplement, in the form first used to confirm sales of the Securities (or in the form first made available by the Company to the Underwriters to meet requests of purchasers of the Securities under Rule 173 under the Act), is hereinafter referred to as the **“Prospectus.”**

We have, without independent inquiry or investigation, assumed that all documents filed with or submitted to the Commission through its Electronic Data Gathering, Analysis and Retrieval (**“EDGAR”**) system (except for required EDGAR formatting changes) conform to the versions of such documents reviewed by us prior to such formatting.

The primary purpose of our professional engagement was not to establish or confirm factual matters or financial, accounting or quantitative information. Furthermore, many determinations involved in the preparation of the Registration Statement, the Disclosure Package and the Prospectus are of a wholly or partially non-legal character or relate to legal matters outside the scope of our opinion separately delivered to you today in respect of certain matters under the laws of the State of New York, the federal laws of the United States of America and the General Corporation Law of the State of Delaware. As a result, we are not passing upon, and do not assume any responsibility for, the accuracy, completeness or fairness of the statements contained in the Registration Statement, the Disclosure Package or the Prospectus, and we have not ourselves checked the accuracy, completeness or fairness of, or otherwise verified, the information furnished in such documents (except to the extent expressly set forth in our opinion letter separately delivered to you today as to statements included in the Prospectus under the captions “Description of Debt Securities,” “Description of the Notes” and “Underwriting”). However, in the course of our acting as counsel to you in connection with the review of the Registration Statement, the Disclosure Package and the Prospectus, we have generally reviewed and discussed with your representatives and with certain officers and employees of, and counsel and independent public accountants for, the Company the information furnished, whether or not subject to our check and verification. We have also reviewed and relied upon certain corporate records and documents, letters from counsel and accountants and oral and written statements of officers and other representatives of the Company and others as to the existence and consequence of certain factual and other matters.

On the basis of the information gained in the course of the performance of the services rendered above, but without independent check or verification except as stated above:

- (i) the Registration Statement and the Prospectus appear on their face to be appropriately responsive in all material respects to the requirements of the Act and the applicable rules and regulations of the Commission thereunder; and

-
- (ii) nothing has come to our attention that causes us to believe that, insofar as relevant to the offering of the Securities:
- (a) on the date of the Underwriting Agreement, the Registration Statement contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading,
 - (b) at 5:05 P.M. New York City time on February 18, 2016, the Disclosure Package contained any untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, or
 - (c) the Prospectus as of the date of the Underwriting Agreement or as of the date hereof contained or contains any untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

In providing this letter to you and the other several Underwriters, we have not been called to pass upon, and we express no view regarding, the financial statements or financial schedules or other financial or accounting data included in the Registration Statement, the Disclosure Package, the Prospectus or the Statement of Eligibility of the Trustee on Form T-1. In addition, we express no view as to the conveyance of the Disclosure Package or the information contained therein to investors.

This letter is delivered solely to you and the other several Underwriters in connection with the Underwriting Agreement. This letter may not be relied upon by you or the other several Underwriters for any other purpose or relied upon by any other person (including any person acquiring Securities from the several Underwriters) or furnished to any other person without our prior written consent.

RECITALS OF THE COMPANY

WHEREAS, the Company has executed and delivered the Indenture, dated as of September 27, 2013 (as supplemented prior to the date hereof, the "**Base Indenture**" and, together with this Supplemental Indenture, the "**Indenture**"), to the Trustee, to provide for the issuance of the Company's debt securities (the "**Securities**"), to be issued in one or more series;

WHEREAS, pursuant to the terms of the Base Indenture, the Company desires to provide for the establishment of two new series of its Securities under the Base Indenture to be known as its "6.600% Senior Notes due 2036" (the "**2036 Notes**") and "6.750% Senior Notes due 2046" (the "**2046 Notes**," and, together with the 2036 Notes, the "**Notes**"), respectively, the form and substance and the terms, provisions and conditions thereof to be set forth as provided in the Base Indenture and this Supplemental Indenture;

WHEREAS, the Board of Directors of the Company by duly adopted resolutions has authorized, among other things, the issuance of the Notes and the execution and delivery of this Supplemental Indenture;

NOW, THEREFORE, THIS SUPPLEMENTAL INDENTURE WITNESSETH:

For and in consideration of the premises and the purchase of the Notes by the Holders thereof, and for the purpose of setting forth, as provided in the Base Indenture, the forms and terms of the Notes, the Company covenants and agrees with the Trustee, as follows:

ARTICLE 1 DEFINITIONS AND OTHER PROVISIONS OF GENERAL APPLICATION

Section 1.01. *Definition of Terms.* Unless the context otherwise requires:

(a) the terms defined in this Supplemental Indenture (except as herein otherwise expressly provided or unless the context of this Supplemental Indenture otherwise requires) for all purposes of this Supplemental Indenture and of any indenture supplemental hereto have the respective meanings specified in this Supplemental Indenture. All other terms used in this Supplemental Indenture that are defined in the Base Indenture, either directly or by reference therein (except as herein otherwise expressly provided or unless the context of this Supplemental Indenture otherwise requires), have the respective meanings assigned to such terms in the Base Indenture, as in force at the date of this Supplemental Indenture as originally executed; *provided* that any term that is defined in both the Base Indenture and this Supplemental Indenture shall have the meaning assigned to such term in this Supplemental Indenture;

(b) the singular includes the plural, and vice versa; and

(c) headings are for convenience of reference only and do not affect interpretation.

Section 1.02. *Relationship with Base Indenture.* The terms and provisions contained in the Base Indenture will constitute, and are hereby expressly made, a part of this Supplemental Indenture. However, to the extent any provision of the Base Indenture conflicts with the express provisions of this Supplemental Indenture, the provisions of this Supplemental Indenture will govern and be controlling.

ARTICLE 2 TERMS AND CONDITIONS OF NOTES

Section 2.01. *Designation and Principal Amount.*

(a) There is hereby authorized and established a series of Securities under the Base Indenture, designated as the “6.600% Senior Notes due 2036,” which is initially limited in aggregate principal amount to \$1,250,000,000 (except upon registration of transfer of, or in exchange for, or in lieu of, other 2036 Notes pursuant to Section 304, 305, 306, 311, 906 or 1106 of the Base Indenture and except for any Notes which, pursuant to Section 303 of the Base Indenture, are deemed never to have been authenticated and delivered).

(b) There is hereby authorized and established a series of Securities under the Base Indenture, designated as the “6.750% Senior Notes due 2046,” which is initially limited in aggregate principal amount to \$750,000,000 (except upon registration of transfer of, or in exchange for, or in lieu of, other 2046 Notes pursuant to Section 304, 305, 306, 311, 906 or 1106 of the Base Indenture and except for any Notes which, pursuant to Section 303 of the Base Indenture, are deemed never to have been authenticated and delivered).

Section 2.02. *Maturity.*

(a) The Stated Maturity of principal of the 2036 Notes shall be April 1, 2036.

(b) The Stated Maturity of principal of the 2046 Notes shall be April 1, 2046.

Section 2.03. *Further Issues.* The Company may at any time and from time to time, without the consent of the Holders of the 2036 Notes or 2046 Notes, increase the principal amount of the 2036 Notes or 2046 Notes that may be issued under the Indenture and issue additional 2036 Notes or 2046 Notes; *provided that* if the additional 2036 Notes or 2046 Notes are not fungible with the then-outstanding 2036 Notes or 2046 Notes for U.S. federal income tax purposes, respectively, the additional 2036 Notes or 2046 Notes shall have separate CUSIP numbers. Any such additional 2036 Notes or 2046 Notes shall have the same ranking, interest rate, maturity date and other terms as the 2036 Notes or 2046 Notes, respectively, but may be offered at a different offering price or have a different issue date, initial interest accrual or initial interest payment date than such 2036 Notes or 2046 Notes, respectively. Any such additional 2036 Notes or 2046 Notes, together with the 2036 Notes or 2046 Notes herein provided for, shall each respectively constitute a single series of Securities under the Base Indenture.

Section 2.04. *Payment.* Principal of and interest on the Notes shall be payable in U.S. dollars in immediately available funds at the office or agency of the Company maintained for such purpose, which shall initially be at the Corporate Trust Office of the Trustee; *provided, however,* that payment of interest may be made at the option of the Company through the Paying Agent by check mailed to the Holder at such address as shall appear in the Security Register at the close of business on the Record Date for such Holder or by wire transfer to an account appropriately designated by the Holder to the Company and the Trustee; and *provided, further,* that the Company through the Paying Agent shall pay principal of and interest on the Notes in the form of Global Securities registered in the name of or held by The Depository Trust Company (“DTC”) or such other Depository as may from time to time be designated pursuant to the terms of the Indenture, or its respective nominee, by wire transfer in immediately available funds to such Depository or its nominee, as the case may be, as the registered holder of such Notes in the form of Global Securities.

Section 2.05. *Interest.*

(a) The 2036 Notes shall bear interest (computed on the basis of a 360-day year consisting of twelve 30-day months) from February 23, 2016 at the rate of 6.600% per annum, payable semi-annually in arrears. Interest payable on each Interest Payment Date shall include interest accrued from February 23, 2016, or from the most recent Interest Payment Date to which interest has been paid or duly provided for. The Interest Payment Dates on which such interest shall be payable are April 1 and October 1, commencing on October 1, 2016; and the Record Date for the interest payable on any Interest Payment Date is the close of business on the March 15 or September 15 (whether or not a Business Day), as the case may be, next preceding the relevant Interest Payment Date.

(b) The 2046 Notes shall bear interest (computed on the basis of a 360-day year consisting of twelve 30-day months) from February 23, 2016 at the rate of 6.750% per annum, payable semi-annually in arrears. Interest payable on each Interest Payment Date shall include interest accrued from February 23, 2016, or from the most recent Interest

Payment Date to which interest has been paid or duly provided for. The Interest Payment Dates on which such interest shall be payable are April 1 and October 1, commencing on October 1, 2016; and the Record Date for the interest payable on any Interest Payment Date is the close of business on the March 15 or September 15 (whether or not a Business Day), as the case may be, next preceding the relevant Interest Payment Date.

Section 2.06. *Authorized Denominations.* Each of the 2036 Notes and 2046 Notes shall be issuable in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

Section 2.07. *Redemption and Sinking Fund.*

(a) The 2036 Notes shall not be redeemable at the option of the Company except as set forth in Section 2 of the 2036 Notes. The 2036 Notes shall not be redeemable at the option of the Holders. The 2036 Notes shall not be entitled to the benefit of any sinking fund.

(b) The 2046 Notes shall not be redeemable at the option of the Company except as set forth in Section 2 of the 2046 Notes. The 2046 Notes shall not be redeemable at the option of the Holders. The 2046 Notes shall not be entitled to the benefit of any sinking fund.

Section 2.08. *Ranking.* Each of the 2036 Notes and 2046 Notes shall be senior unsecured debt securities of the Company, ranking equally with the Company's other unsecured and unsubordinated indebtedness.

Section 2.09. *Appointments.* The Trustee shall be the initial Security Registrar and initial Paying Agent for each of the 2036 Notes and 2046 Notes.

Section 2.10. *Waiver of Certain Covenants.* Without in any way limiting the applicability of Section 1006 of the Base Indenture with respect to the Notes, the Company may, with respect to the 2036 Notes or 2046 Notes, also omit in a particular instance to comply with any term, provision or condition set forth in Article 3 of this Supplemental Indenture, if, before or after the time for such compliance, the Holders of not less than a majority in aggregate principal amount of the 2036 Notes or 2046 Notes, respectively, at the time Outstanding shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver becomes effective, the obligations of the Company and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect. Nothing in this Section 2.10 shall affect the Company's requirement to comply with Section 513 of the Base Indenture with respect to waivers of past defaults under the Base Indenture.

Section 2.11. *Defeasance.* The Company may elect, at its option at any time, pursuant to Section 402 of the Base Indenture, to have Section 403 or Section 404 in the Base Indenture, or both, apply to the 2036 Notes or 2046 Notes, respectively, or any principal amount thereof. Without in any way limiting the applicability of Section 404 of

the Base Indenture with respect to the Notes, upon the Company's exercise of its option to have Section 404 of the Base Indenture applied to all of the Outstanding 2036 Notes or 2046 Notes, (1) the Company shall also be deemed to be released from and may omit to comply with its obligations under the covenants contained in Article 3 of this Supplemental Indenture with respect to the 2036 Notes or 2046 Notes, respectively, and (2) the failure to comply with any such obligation, covenant, restriction, term or other provision shall not constitute (and shall be deemed not to be or result in) an Event of Default under Section 501(4) or Section 501(7) of the Base Indenture, in each case with respect to the 2036 Notes or 2046 Notes, respectively, on and after the date the conditions set forth in Section 405 of the Base Indenture are satisfied.

Section 2.12. *Guarantees.* None of the 2036 Notes or 2046 Notes shall be guaranteed by any Person.

ARTICLE 3 COVENANTS

Section 3.01. *Additional Covenants.* In addition to the covenants stated in Article Ten of the Base Indenture, the Notes will be subject to the covenants set forth in Sections 3.03 and 3.04 below. For the avoidance of doubt, the covenants set forth in Sections 3.03 and 3.04 below are solely for the benefit of the Holders of the 2036 Notes and 2046 Notes, and are not for the benefit of, or applicable to, any other debt securities issued under the Base Indenture or any other supplemental indenture.

Section 3.02. *Definitions.* The following definitions shall be applicable to Sections 3.03 and 3.04 below:

"Attributable Debt" means, at the time of determination as to any lease, the present value (discounted at the actual rate, if stated, or, if no rate is stated, the implicit rate of interest of such lease transaction as determined by the Company's Chairman, President or any Vice Chairman, the Company's Chief Financial Officer, any Vice President, the Company's Treasurer or any Assistant Treasurer), calculated using the interval of scheduled rental payments under such lease, of the obligation of the lessee for net rental payments during the remaining term of such lease (excluding any subsequent renewal or other extension options held by the lessee). The term **"net rental payments"** means, with respect to any lease for any period, the sum of the rental and other payments required to be paid in such period by the lessee thereunder, but not including, however, any amounts required to be paid by such lessee (whether or not designated as rental or additional rental) on account of maintenance and repairs, insurance, taxes, assessments, water rates, indemnities or similar charges required to be paid by such lessee thereunder or any amounts required to be paid by such lessee thereunder contingent upon the amount of sales, earnings or profits or of maintenance and repairs, insurance, taxes, assessments, water rates, indemnities or similar charges; *provided, however,* that, in the case of any lease which is terminable by the lessee upon the payment of a penalty in an amount which is less than the total discounted net rental payments required to be paid from the later of the first date upon which such lease may be so terminated and the date of the determination of net rental payments, "net rental payments" shall include the then current

amount of such penalty from the later of such two dates, and shall exclude the rental payments relating to the remaining period of the lease commencing with the later of such two dates.

“**Consolidated Tangible Assets**” means, on the date of determination, total assets less goodwill and other intangible assets of the Company and its consolidated Subsidiaries, in each case as set forth on the most recently available consolidated balance sheet of the Company and its Subsidiaries in accordance with generally accepted accounting principles in the United States.

“**Debt**” means notes, bonds, debentures or other similar evidences of indebtedness for money borrowed.

“**Manufacturing Subsidiary**” means any Subsidiary (A) substantially all the property of which is located within the continental United States of America, (B) which owns a Principal Domestic Manufacturing Property and (C) in which the Company’s investment, direct or indirect and whether in the form of equity, debt, advances or otherwise, is in excess of \$2,500,000,000 as shown on the consolidated books of the Company as of the end of the fiscal year immediately preceding the date of determination; *provided, however*, that “Manufacturing Subsidiary” shall not include any Subsidiary which is principally engaged in leasing or in financing installment receivables or otherwise providing financial or insurance services to the Company or others or which is principally engaged in financing the Company’s operations outside the continental United States of America.

“**Mortgage**” means any mortgage, pledge, lien, security interest, conditional sale or other title retention agreement or other similar encumbrance.

“**Principal Domestic Manufacturing Property**” means all real property located within the continental United States of America and constituting part of any manufacturing plant or facility owned and operated by the Company or any Manufacturing Subsidiary, together with such manufacturing plant or facility (including all plumbing, electrical, ventilating, heating, cooling, lighting and other utility systems, ducts and pipes attached to or constituting a part thereof, but excluding all trade fixtures (unless such trade fixtures are attached to the manufacturing plant or facility in a manner that does not permit removal therefrom without causing substantial damage thereto), business machinery, equipment, motorized vehicles, tools, supplies and materials, security systems, cameras, inventory and other personal property and materials), unless, in the opinion of the Board of Directors of the Company, such manufacturing plant or facility is not of material importance to the total business conducted by the Company and its consolidated affiliates as an entity.

“**Subsidiary**” means any corporation of which at least a majority of the outstanding stock having by the terms thereof ordinary voting power to elect a majority of the board of directors of such corporation (irrespective of whether or not at the time stock of any other class or classes of such corporation shall have or might have voting power by reason of the happening of any contingency) is at the time owned by the

Company, or by one or more Subsidiaries, or by the Company and one or more Subsidiaries.

Section 3.03. *Limitation on Liens.* For the benefit of the Notes, the Company will not, nor will the Company permit any Manufacturing Subsidiary to, issue or assume any Debt secured by a Mortgage upon any Principal Domestic Manufacturing Property of the Company or any Manufacturing Subsidiary or upon any shares of stock or indebtedness of any Manufacturing Subsidiary (whether such Principal Domestic Manufacturing Property, shares of stock or indebtedness are now owned or hereafter acquired) without in any such case effectively providing concurrently with the issuance or assumption of any such Debt that the Notes (together with, if the Company shall so determine, any other indebtedness of the Company or such Manufacturing Subsidiary ranking equally with the Notes and then existing or thereafter created) shall be secured equally and ratably with such Debt, unless the aggregate amount of Debt issued or assumed and so secured by Mortgages, together with all other Debt of the Company and its Manufacturing Subsidiaries which (if originally issued or assumed at such time) would otherwise be subject to the foregoing restrictions, but not including Debt permitted to be secured under clauses (i) through (vii) of the immediately following paragraph, does not at the time exceed 15% of the Consolidated Tangible Assets of the Company

The above restrictions shall not apply to Debt secured by:

(i) Mortgages on property, shares of stock or indebtedness of any corporation existing at the time such corporation becomes a Manufacturing Subsidiary;

(ii) Mortgages on property existing at the time of acquisition thereof or to secure the payment of all or any part of the purchase or construction price of property, or to secure Debt incurred for the purpose of financing all or part of the purchase or construction price of property or the cost of improvements on property, which Debt is incurred prior to, at the time of, or within 180 days after the later of such acquisition or completion of such improvements or construction or commencement of full operation of such property;

(iii) Mortgages securing Debt of a Manufacturing Subsidiary owing to the Company or to another Manufacturing Subsidiary;

(iv) Mortgages on property of a corporation existing at the time such corporation is merged or consolidated with the Company or a Manufacturing Subsidiary or at the time of a sale, lease or other disposition of the properties of a corporation as an entirety or substantially as an entirety to the Company or a Manufacturing Subsidiary;

(v) Mortgages in favor of the United States of America or any State thereof, or any department, agency or instrumentality or political subdivision of the United States of America or any State thereof, or in favor of any other country, or any political subdivision thereof, to secure partial, progress, advance

or other payments pursuant to any contract or statute or to secure any indebtedness incurred or guaranteed for the purpose of financing all or any part of the purchase price or the cost of construction or improvement of the property subject to such Mortgages (including, without limitation, Mortgages incurred in connection with pollution control, industrial revenue or similar financing);

(vi) Mortgages existing on February 23, 2016 or

(vii) any extension, renewal or replacement (or successive extensions, renewals or replacements) in whole or in part of any Mortgage referred to in the foregoing clauses (i) to (vi) or in this clause (vii); *provided, however*, that the principal amount of Debt secured thereby shall not exceed the principal amount of Debt so secured at the time of such extension, renewal or replacement and that such extension, renewal or replacement shall be limited to all or a part of the property which secured the Mortgage so extended, renewed or replaced (plus improvements on such property).

Section 3.04. *Limitation on Sales and Lease-Backs*. For the benefit of the Notes, the Company will not, nor will the Company permit any Manufacturing Subsidiary to, enter into any arrangement with any person providing for the leasing by the Company or any Manufacturing Subsidiary of any Principal Domestic Manufacturing Property owned by the Company or any Manufacturing Subsidiary on February 23, 2016 (except for temporary leases for a term of not more than five years and except for leases between the Company and a Manufacturing Subsidiary or between Manufacturing Subsidiaries), which property has been or is to be sold or transferred by the Company or such Manufacturing Subsidiary to such person, unless either:

(i) the Company or such Manufacturing Subsidiary would be entitled, pursuant to the provisions of Section 3.03 above, to issue, assume, extend, renew or replace Debt secured by a Mortgage upon such property at least equal in amount to the Attributable Debt in respect of such arrangement without equally and ratably securing the Notes; *provided, however*, that from and after the date on which such arrangement becomes effective the Attributable Debt in respect of such arrangement shall be deemed for all purposes under Section 3.03 above and this Section 3.04 to be Debt subject to the provisions of Section 3.03 above (which provisions include the exceptions set forth in clauses (i) through (vii) of Section 3.03 above); or

(ii) the Company shall apply an amount in cash equal to the Attributable Debt in respect of such arrangement within 180 days of the effective date of any such arrangement to either (or a combination) of (i) the retirement (other than any mandatory retirement or by way of payment at maturity) of Debt of ours or any Manufacturing Subsidiary (other than Debt owned by the Company or any Manufacturing Subsidiary) which by its terms matures at or is extendible or renewable at the option of the obligor to a date more than twelve months after the date of the creation of such Debt, or (ii) the purchase, construction or

development by the Company or a Manufacturing Subsidiary of other comparable property.

ARTICLE 4
FORM OF NOTES

Section 4.01. *Form of Notes.*

(a) The 2036 Notes and the Trustee's certificate of authentication thereon shall be substantially in the form set forth in Exhibit A-1 hereto, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by the Base Indenture and this Supplemental Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required to comply with applicable tax laws or the rules of any securities exchange or Depository therefor or as may, consistent herewith, be determined by the signatory authorized by the Company to execute such 2036 Notes, as evidenced by the execution thereof. All 2036 Notes shall be in fully registered form.

(b) The 2046 Notes and the Trustee's certificate of authentication thereon shall be substantially in the form set forth in Exhibit A-2 hereto, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by the Base Indenture and this Supplemental Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required to comply with applicable tax laws or the rules of any securities exchange or Depository therefor or as may, consistent herewith, be determined by the signatory authorized by the Company to execute such 2046 Notes, as evidenced by the execution thereof. All 2046 Notes shall be in fully registered form.

Section 4.02. *Global Securities*

(a) Upon their original issuance, the 2036 Notes and 2046 Notes shall each be issued in the form of one or more permanent global notes in definitive, fully registered form without interest coupons (the "**Global Securities**") and shall constitute "Global Securities" under the Base Indenture. Each such Global Security shall be duly executed by the Company, shall be authenticated and delivered by the Trustee and shall be initially registered in the name of Cede & Co. as nominee for the Depository. DTC shall be the initial Depository for the 2036 Notes and 2046 Notes upon their original issuance. Beneficial interests in the Global Securities will be shown on, and transfers will only be made through, the records maintained by the Depository, its members or its direct or indirect participants, including Euroclear and Clearstream (collectively, the "**Agent Members**").

The Agent Members shall have no rights under the Base Indenture or the Supplemental Indenture with respect to any Global Security held on their behalf by the Depository, or the Trustee as its custodian, or under the Global Securities. The Depository or its nominee may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of the Global Securities for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to

any written certification, proxy or other authorization furnished by the Depository (or its nominee), or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

(b) (i) Transfers of Global Securities shall be limited to transfer in whole, but not in part, to the Depository, its successors or their respective nominees, except as provided in the Base Indenture. Interests of beneficial owners in the Global Securities may be transferred or exchanged in the name of any Person other than the Depository or its nominee only in accordance with the applicable rules and procedures of the Depository and the applicable provisions of Section 311 of the Base Indenture. Global Securities also may be exchanged or replaced, in whole or in part, as provided in Sections 304 and 306 of the Base Indenture. A Global Security may not be exchanged for another Note other than as provided in this Section 4.02(b) or the Base Indenture.

(ii) At such time as all beneficial interests in a particular Global Security have been exchanged for Notes that are issued, under the circumstances permitted under the Base Indenture and this Supplemental Indenture, in the name of a Person other than the Depository or its nominee (a “**Definitive Security**”) or a particular Global Security has been redeemed, repurchased or cancelled in whole and not in part, each such Global Security shall be returned to or retained and cancelled by the Trustee in accordance with Section 309 of the Base Indenture. At any time prior to such cancellation, if any beneficial interest in a Global Security is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security of the same series or for Definitive Securities, or is being surrendered by the Company for cancellation after redemption, repurchase or other acquisition by the Company, the principal amount of Notes represented by such Global Security shall be reduced accordingly and an endorsement shall be made on such Global Security by the Security Registrar or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security of the same series, such other Global Security shall be increased accordingly and an endorsement shall be made on such other Global Security by the Security Registrar or by the Depository at the direction of the Trustee to reflect such increase.

(c) Each Note certificate evidencing the Global Securities shall bear a legend in substantially the following form (each defined term in the legend being defined as such for purposes of the legend only):

“UNLESS THIS CERTIFICATE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY, A NEW YORK CORPORATION (“DTC”), NEW YORK, NEW YORK, TO THE COMPANY OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY CERTIFICATE ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. ARTICLE 5
ORIGINAL ISSUE OF NOTES

Section 5.01. *Original Issue of Notes.*

(a) The 2036 Notes may, upon execution of this Supplemental Indenture, be executed by the Company and delivered to the Trustee for authentication, and the Trustee shall, upon Company Order, authenticate and deliver such 2036 Notes as in such Company Order provided.

(b) The 2046 Notes may, upon execution of this Supplemental Indenture, be executed by the Company and delivered to the Trustee for authentication, and the Trustee shall, upon Company Order, authenticate and deliver such 2046 Notes as in such Company Order provided.

[REVERSE OF NOTE]

1. This Note is one of a duly authorized issue of Securities of the Company (the “Notes”), issued and to be issued in one or more series under the Indenture, dated as of September 27, 2013 (as supplemented prior to the date hereof, the “Base Indenture”), and the Third Supplemental Indenture relating to the Notes dated as of February 23, 2016 (the “Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), between the Company and The Bank of New York Mellon, as Trustee (the “Trustee,” which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof, such series initially limited in aggregate principal amount to \$1,250,000,000; *provided* that the Company may at any time and from time to time, without the consent of any Holder, issue additional Notes of this series.

All terms which are used but not defined in this Note and which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

2. At any time prior to October 1, 2035, the Company may at any time and from time to time, in whole or in part, on at least 30 days’ but not more than 60 days’ prior notice mailed to the registered email or physical address of each Holder of Notes to be redeemed, redeem the Notes at a redemption price equal to the greater of the following amounts: (i) 100% of the principal amount of the Notes to be redeemed; and (ii) as determined by the Company, the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed (not including any portion of payments of interest accrued as of the applicable redemption date), discounted to the applicable redemption date on a semiannual basis at a rate equal to the sum of the Treasury Rate plus 50 basis points.

On or after October 1, 2035, the Company may, at any time and from time to time, in whole or in part, on at least 30 days’ but not more than 60 days’ prior notice mailed to the registered email or physical address of each Holder of Notes to be redeemed, redeem the Notes at a redemption price equal to 100% of the principal amount of the Notes to be redeemed.

The redemption price for any Notes redeemed pursuant to this Section 2 shall include accrued and unpaid interest, if any, on the principal amount of such Notes, (i) if redeemed at any time prior to October 1, 2035, up to, but not including, the redemption date, and (ii) if redeemed at any time on or after October 1, 2035, to the applicable redemption date. The applicable redemption price will be calculated assuming a 360-day year consisting of twelve 30-day months. Unless the Company defaults in the payment of the applicable redemption price, on and after the applicable redemption date, interest will cease to accrue on the Notes or portions of the Notes called for redemption.

The provisions of Article Eleven of the Base Indenture shall apply to any redemption of the Notes.

For purposes of this Section 2, the following terms shall have the following specified meanings:

“Comparable Treasury Issue” means the United States Treasury security selected by a Reference Treasury Dealer as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed that would be used, at the time of selection and in accordance with customary market practice, in pricing new issues of corporate debt securities of a comparable maturity to the remaining term of such Notes.

“Comparable Treasury Price” means, with respect to any redemption date, as determined by the Company, (A) the average of the five Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest of the Reference Treasury Dealer Quotations or (B) if we obtain fewer than five Reference Treasury Dealer Quotations, the average of all Reference Treasury Dealer Quotations so received.

“Reference Treasury Dealer” means (i) each of Goldman, Sachs & Co., Citigroup Global Markets Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated and their respective successors, unless any of them ceases to be a primary United States Government securities dealer in New York City (a **“Primary Treasury Dealer”**), in which case the Company will substitute therefor another nationally recognized investment banking firm that is a Primary Treasury Dealer and (ii) two other nationally recognized investment banking firms that are Primary Treasury Dealers as selected by the Company.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer as of 5:00 p.m., New York City time, on the third Business Day preceding that redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue, calculated as of the third Business Day preceding the redemption date, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

3. The Company shall not consolidate with or merge with or into, or convey, transfer or lease all or substantially all of its properties and assets to any Person, unless the provisions of Article Eight of the Base Indenture are complied with.

4. The Base Indenture permits, with certain exceptions as therein provided, the amendment of the Indenture and the modification of the rights and obligations of the Company and the rights of the Holders of the Notes under the Indenture and the Notes at

any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Notes at the time Outstanding. The Base Indenture and the Supplemental Indenture also contain provisions (including the provisions in Section 1006 of the Base Indenture and Section 2.10 of the Supplemental Indenture) permitting the Holders of specified percentages in aggregate principal amount of the Notes at the time Outstanding, on behalf of the Holders of all Notes, to waive compliance by the Company with certain provisions of the Indenture and the Notes and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holders of Notes shall be conclusive and binding upon such Holders and upon all future Holders of the Notes and of any Notes issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

5. If an Event of Default with respect to the Notes shall occur and be continuing, the principal of the Notes may be declared, or shall immediately become, due and payable in the manner and with the effect provided in the Indenture.

As provided in and subject to the provisions of the Indenture, the Holders of the Notes shall not have any right to institute any proceeding, judicial or otherwise, with respect to the Indenture, or for the appointment of a receiver or trustee, or for any other remedy thereunder or hereunder, unless certain conditions set forth in the Indenture are met. The foregoing shall not apply to any suit instituted by the Holder of the Notes for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

6. The Base Indenture and the Supplemental Indenture contain provisions for defeasance at any time of the entire indebtedness of the Notes or certain restrictive covenants and Events of Default with respect to such Notes, in each case upon compliance with certain conditions set forth in the Indenture.

7. As provided in the Indenture and subject to certain limitations set forth in the Indenture (including the limitations in Section 311 of the Base Indenture), the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any place where the principal of and any interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

[REVERSE OF NOTE]

1. This Note is one of a duly authorized issue of Securities of the Company (the “**Notes**”), issued and to be issued in one or more series under the Indenture, dated as of September 27, 2013 (as supplemented prior to the date hereof, the “**Base Indenture**”), and the Third Supplemental Indenture relating to the Notes dated as of February 23, 2016 (the “**Supplemental Indenture**” and, together with the Base Indenture, the “**Indenture**”), between the Company and The Bank of New York Mellon, as Trustee (the “**Trustee**,” which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof, such series initially limited in aggregate principal amount to \$750,000,000; *provided* that the Company may at any time and from time to time, without the consent of any Holder, issue additional Notes of this series.

All terms which are used but not defined in this Note and which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

2. At any time prior to October 1, 2045, the Company may at any time and from time to time, in whole or in part, on at least 30 days’ but not more than 60 days’ prior notice mailed to the registered email or physical address of each Holder of Notes to be redeemed, redeem the Notes at a redemption price equal to the greater of the following amounts: (i) 100% of the principal amount of the Notes to be redeemed; and (ii) as determined by the Company, the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed (not including any portion of payments of interest accrued as of the applicable redemption date), discounted to the applicable redemption date on a semiannual basis at a rate equal to the sum of the Treasury Rate plus 50 basis points.

On or after October 1, 2045, the Company may, at any time and from time to time, in whole or in part, on at least 30 days’ but not more than 60 days’ prior notice mailed to the registered email or physical address of each Holder of Notes to be redeemed, redeem the Notes at a redemption price equal to 100% of the principal amount of the Notes to be redeemed.

The redemption price for any Notes redeemed pursuant to this Section 2 shall include accrued and unpaid interest, if any, on the principal amount of such Notes, (i) if redeemed at any time prior to October 1, 2045, up to, but not including, the redemption date, and (ii) if redeemed at any time on or after October 1, 2045, to the applicable redemption date. The applicable redemption price will be calculated assuming a 360-day year consisting of twelve 30-day months. Unless the Company defaults in the payment of the applicable redemption price, on and after the applicable redemption date, interest will cease to accrue on the Notes or portions of the Notes called for redemption.

The provisions of Article Eleven of the Base Indenture shall apply to any redemption of the Notes.

For purposes of this Section 2, the following terms shall have the following specified meanings:

“Comparable Treasury Issue” means the United States Treasury security selected by a Reference Treasury Dealer as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed that would be used, at the time of selection and in accordance with customary market practice, in pricing new issues of corporate debt securities of a comparable maturity to the remaining term of such Notes.

“Comparable Treasury Price” means, with respect to any redemption date, as determined by the Company, (A) the average of the five Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest of the Reference Treasury Dealer Quotations or (B) if we obtain fewer than five Reference Treasury Dealer Quotations, the average of all Reference Treasury Dealer Quotations so received.

“Reference Treasury Dealer” means (i) each of Goldman, Sachs & Co., Citigroup Global Markets Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated and their respective successors, unless any of them ceases to be a primary United States Government securities dealer in New York City (a **“Primary Treasury Dealer”**), in which case the Company will substitute therefor another nationally recognized investment banking firm that is a Primary Treasury Dealer and (ii) two other nationally recognized investment banking firms that are Primary Treasury Dealers as selected by the Company.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer as of 5:00 p.m., New York City time, on the third Business Day preceding that redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue, calculated as of the third Business Day preceding the redemption date, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

3. The Company shall not consolidate with or merge with or into, or convey, transfer or lease all or substantially all of its properties and assets to any Person, unless the provisions of Article Eight of the Base Indenture are complied with.

4. The Base Indenture permits, with certain exceptions as therein provided, the amendment of the Indenture and the modification of the rights and obligations of the Company and the rights of the Holders of the Notes under the Indenture and the Notes at

any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Notes at the time Outstanding. The Base Indenture and the Supplemental Indenture also contain provisions (including the provisions in Section 1006 of the Base Indenture and Section 2.10 of the Supplemental Indenture) permitting the Holders of specified percentages in aggregate principal amount of the Notes at the time Outstanding, on behalf of the Holders of all Notes, to waive compliance by the Company with certain provisions of the Indenture and the Notes and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holders of Notes shall be conclusive and binding upon such Holders and upon all future Holders of the Notes and of any Notes issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

5. If an Event of Default with respect to the Notes shall occur and be continuing, the principal of the Notes may be declared, or shall immediately become, due and payable in the manner and with the effect provided in the Indenture.

As provided in and subject to the provisions of the Indenture, the Holders of the Notes shall not have any right to institute any proceeding, judicial or otherwise, with respect to the Indenture, or for the appointment of a receiver or trustee, or for any other remedy thereunder or hereunder, unless certain conditions set forth in the Indenture are met. The foregoing shall not apply to any suit instituted by the Holder of the Notes for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

6. The Base Indenture and the Supplemental Indenture contain provisions for defeasance at any time of the entire indebtedness of the Notes or certain restrictive covenants and Events of Default with respect to such Notes, in each case upon compliance with certain conditions set forth in the Indenture.

7. As provided in the Indenture and subject to certain limitations set forth in the Indenture (including the limitations in Section 311 of the Base Indenture), the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any place where the principal of and any interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

[This Note is a Global Security and is subject to the provisions of the Base Indenture and the Supplemental Indenture relating to Global Securities, including the limitations in Section 311 of the Base Indenture on transfers and exchanges of Global Securities.¹]

8. This Note and the Indenture shall be governed by and construed in accordance with the law of the State of New York in the United States.

Ladies and Gentlemen:

We have acted as special counsel for General Motors Company, a Delaware corporation (the “Company”), in connection with the issuance and sale by the Company of \$1,250,000,000 aggregate principal amount of the Company’s 6.600% Senior Notes due 2036 and \$750,000,000 aggregate principal amount of the Company’s 6.750% Senior Notes due 2046 (collectively, the “Securities”) under the Indenture, dated as of September 27, 2013, and a Third Supplemental Indenture, dated as of the date hereof (collectively, the “Indenture”), between the Company and The Bank of New York Mellon, as trustee (the “Trustee”), and pursuant to a Registration Statement on Form S-3 (File Number: 333-195601) (the “Registration Statement”), including a base prospectus, dated April 30, 2014 (the “Base Prospectus”), filed with the Securities and Exchange Commission (the “Commission”) pursuant to the Securities Act of 1933, as amended (the “Securities Act”), and the final prospectus supplement, dated February 18, 2016, filed with the Commission pursuant to Rule 424(b) under the Securities Act (collectively with the Base Prospectus, the “Prospectus”) and an Underwriting Agreement, dated February 18, 2016 (the “Underwriting Agreement”), by and among the Company and the several underwriters named in Schedule I thereto, for whom Goldman, Sachs & Co., Citigroup Global Markets Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated are acting as representatives.

In arriving at the opinion expressed below, we have examined originals or reproductions or certified copies of such records of the Company, certificates of officers of the Company and of public officials and such other documents as we have deemed relevant and necessary for the purpose of rendering this opinion, including, among other things: (i) the Registration Statement; (ii) the Prospectus; (iii) the Indenture; (iv) copies of the global notes

representing the Securities; (v) the Restated Certificate of Incorporation of the Company, certified by the Secretary of State of the State of Delaware; (vi) the Amended and Restated By-Laws of the Company; (vii) resolutions of the Company's Board of Directors, adopted on December 7-8, 2015; (viii) resolutions of the Pricing Committee of the Company's Board of Directors, adopted on February 18, 2016; and (ix) the Underwriting Agreement.

For purposes of the opinion expressed below, we have assumed (i) the authenticity of all documents submitted to us as originals, (ii) the conformity to the originals of all documents submitted as certified or photostatic copies and the authenticity of the originals thereof, (iii) the legal capacity of natural persons, and (iv) the genuineness of signatures not witnessed by us. With your consent, we have also assumed that (a) the Indenture and the Securities (collectively, the "Documents") have been duly authorized, executed and delivered by the parties thereto, other than by the Company, (b) the Documents constitute legally valid and binding obligations of the parties thereto, other than the Company, enforceable against each of them in accordance with their respective terms, and (c) the status of the Documents as legally valid and binding obligations of the parties is not affected by any (i) breaches of, or defaults under, agreements or instruments, (ii) violations of statutes, rules, regulations or court or governmental orders, or (iii) failures to obtain required consents, approvals or authorizations from, or make required registrations, declarations or filings with, any governmental authorities.

1. The Company is validly existing and in good standing under the laws of the State of Delaware, with corporate power and authority to issue the Securities in accordance with and subject to their terms and the terms of the Indenture.
2. The Securities are legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their terms.

The opinion set forth above is subject to the qualification that the validity and enforceability of the Company's obligations under the Indenture and the Securities may be

subject to (i) the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws now or hereafter in effect relating to or affecting creditors' rights generally, (ii) general principles of equity (whether considered in a proceeding at law or in equity) and (iii) concepts of materiality, unconscionability, reasonableness, impracticability or impossibility of performance and any implied covenant of good faith and fair dealing. We express no opinion regarding any provision of the Indenture that purports to avoid the effect of fraudulent conveyance, fraudulent transfer or similar provisions of applicable law or any provision that permits holders to collect any portion of the stated principal amount upon the acceleration of the Securities to the extent determined to constitute unearned interest.

We hereby consent to the filing of this opinion of counsel as Exhibit 5.1 to the Current Report on Form 8-K of the Company dated on or about the date hereof, to the incorporation by reference of this opinion of counsel into the Registration Statement and to the reference to our Firm under the heading "Legal Matters" in the Prospectus Supplement.
